ARE YOU FIT TO MARRY?

The greatest and most powerful sex problem play of the age, "Are You Fit to Marry," will be shown at the Opera House Monday. This production deals with a subject which is of vital importance to all humanity and shows fully and clearly the results of unclean living and the consequences of lack of discretion between the sexes. The picture was produced by Dr. H. J. Haiselden of Chicago, who shocked the medical profession and scientific world when he refused to operate on the famous Bollinger baby and save its hopelessly defective life.

The plot presents an argument for national eugenic marriage laws, and the healthy nation that would result from healthy babies in a foreword, and then it brings out in a drama form in a story written by the magazine writer, Jack Lait. The story is very interesting, dignified and one that will make those who view it think, especially after they have seen the pathetically subnormal children that the doctor uses for his arguments. The leading roles are taken by Dr. Haiselden and a cast of familiar supporting people, including Hamilton Revelle, Elsie Desmond, Henry Bergman and Jane Fernley. Every man and woman who is interested in the progress of the human race should make it his or her business to see it.

The performances will be as follows: Women only admitted Monday matinee at 3 and 4.30; men only admitted Monday night, from 7.30 to 11 o'clock.—adv.

What could be of more interest to Doan's Kidney Pills are publicly endorsed by many Tarboro people. Read what Mr. W. A. Lockyer, E. Pitt St., Tarboro, says: "Several years ago the pains in my kidneys were so bad that mornings I could hardly bend to tie my shoes. I was subject to dizzy spells and my kidneys didn't act properly. I had a tired, languid feeling all the time. Hearing of Doan's Kidney Pills, I bought a box at Cook's Drug Store and I am glad to say they entirely cured me. I have never had any trouble with my kidneys since."

St. Louis Monday: Hel-lo-o-o-o Pete: In two more shakes of a lamb's tail I'd have been between the sheets—but I got taken with another large idea for Camel Cigarettes ads that's so bright you can phone 'em to cut the current because you just had your lamps lit!

Tell you, it's a whale of a stunt! Everybody right quiet—and hats off! NOW—far as I know or ever heard, there never has been one of those zippy slogans under that big display name "Camel." I'VE GOT ONE—get me? Put both your ears close to the ground and get the rumble of a broadside like this:

Camel

Once it meant an animal—now a Cigarette!

Wow, Pete! I'll testify that's a stoneless peach! Spread it like I've dented it in here—and you've uncorked an eye! Suppose you'll want to call me old Mr. Hammer because I hit the nail on the head!

And bet real money that if this slogan stuff keeps me awake the rest of the night, I'll wine and offer it to R. J. Reynolds's Tobacco Co. before you hit the deck! And, I'll be spending some of the proceeds for noon eats!

In the lang-wage of Jigger Jones of Goplin, "you tee 'em old yacht, you've got the sales spirit!"

Blowing out of St. Louis at 10.12 tomorrow with a bundle of business—off for Ohio. got something on me mind!

'Tee I get it off—

Shorty

EX-TRY! EX-TRY! Just got a wire, I sold 'em that slogan! Pete, eat on me!
