THE AMERICAN RED CROSS IN PEACE TIME

About 12,000,000 boys and girls, composing nearly half the school population of the United States, are members of the Junior Red Cross, which is helping the children of Europe, while at the same time it is doing an important work here at home. Kalfan Oshwitz, who wears the engaging smile shown in this picture, is the son of an Indian guide and trapper. He is the youngest Junior living in the neighborhood of Juneau, Alaska—and he sends greetings to fellow Juniors of the United States.

WILL YOU VOTE FOR HARDING OR COX?

The answer is: You will vote for neither. For the American voters, even with all the fine additions to their numbers by Tennessee's net results, do not vote directly for presidential and vice presidential candidates. The forefathers had an idea that the best scheme would be to pick out a sort of jury, made up of the best men of the country, who would get together and weigh the merits of the different candidates, and give the country the benefit of their profound deliberations. The electors are placed on the different tickets, and they always carry out their pledge to vote for the candidates whose cause they represent. So, the names of Cox and Roosevelt will be at the top of one ticket, and Harding and Coolidge at the top of another—but their names merely indicate that the bunch of unknowns underneath have the party vote. A cross in the square at the top of the column is "the idea." "Vote 'er straight, boys (and girls); vote 'er straight—then you can't go wrong."

It requires 266 electoral votes to put the candidate across this year, and usually the electoral votes settle the election. However, in the case of Thomas Jefferson, his election over Aaron Burr was decided in the House of Representatives. Andrew Jackson was also the choice of the House. In both these cases the candidates had a plurality but not a majority in the electoral college.

IN THE DAY'S NEWS

Sixteen years old today is Prince Humbert, or Umberto, as they say in Italy, who in the course of time is destined to ascend the Italian throne. Despite his youth, he has won a place in the affections of his future subjects which is almost as great as that of the king himself. The prince is a Boy Scout, and the most enthusiastic Boy Scout in Italy. As soon as Italy entered the war he asked to be allowed to take his place with the army, although only twelve years of age. In response to his pleadings his father permitted him to accompany him on several visits to the front. There the soldiers cheered him to the echo, a smiling, happy boy in a special military uniform, which he wore as proudly as the most seasoned fighter. The young prince is now rapidly growing into manhood, ready to take over the reins of government when called on.

THE AMERICAN RED CROSS IN PEACE TIME

Boys and girls who learn early to take proper care of their teeth, throats, eyes, ears and stomachs, have made a long step toward healthy manhood and womanhood. Through its public health and nursing services, the American Red Cross aims eventually to reach all school children with teachings regarding disease prevention and health promotion. Here's a school nurse treating a little girl for sore mouth, at the same time implanting a valuable lesson in teeth brushing and proper diet.

DOUBT DISAPPEARS

No One in Tarboro Who Has a Bad Back Should Ignore This Double Proof.

Does your back ache? Have you suspected your kidneys? Backache is sometimes... kidney ache.

With it may come dizzy spells, Sleepless nights, tired, dull days. Distressing urinary disorders. Doan's Kidney Pills have been endorsed by thousands.

Are recommended here at home. Ask your neighbor. Have you read Tarboro proof. Read now the Tarboro sequel. Renewed testimony; tested by time.

Mrs. M. M. Powell, 311 Howard Ave., says: "I would not be without Doan's Kidney Pills in the house. My back ached and pained day and night and I couldn't rest comfortably. Mornings I was sore and lame and often dizzy spells came over me and my sight became blurred. Friends recommended Doan's Kidney Pills, so I got a supply at Cook's Drug Store. They soon put my kidneys in good order again." (Statement given July 3, 1914.)

On June 3, 1918, Mrs. Powell said: "I recommend Doan's Kidney Pills as highly now as when I gave my last statement in 1914. I haven't used this remedy in some time, but Doan's have always given me fine relief, when I have had occasion to use them."

THE AMERICAN RED CROSS IN PEACE TIME

Every person mentally and physically able to do so should take the American Red Cross instruction in First Aid Treatment. It's a life-saver and a pain-saver on the farm, in the factory, on the street, in the office, in the home, wherever accidents may occur. Here's a young wife who ineptly wielded a can-opener and received an ugly gash across her wrist from the jagged can lid. Mother was there, however, with the First Aid kit and Red Cross instruction, and probably prevented a case of blood poisoning by giving prompt and proper treatment before the doctor arrived.

1830—Gen. Porfirio Diaz, famous Mexican patriot and president, born. Died in Paris, July 2.
