

Tarboro, N. C., Oct. 14, 1920.

To our many Friends and Patrons:

After a meeting of the managers and directors of the Rosenbloom-Levy Company's Stores it was decided to reduce our prices on all merchandise 25 per cent, which means a great saving and is less than today's market prices. We have decided to help those who patronized us in the past, owing to the existing conditions brought about by the low prices of tobacco and the decline in cotton.

We also take this opportunity of telling you that all of our merchandise having been purchased through our chain of stores means worthy values based upon large purchasing ability.

We are making this a direct purchasing opportunity to you as one of our valued customers.

Assuring you of our sincere co-operation, we are,

Yours very truly,

ROSENBLOOM-LEVY COMPANY.

IN THE DAYS NEWS

Today is the sixty-second birthday of Gen. Robert George Nivelle, the famous French soldiers who is coming to America next month to represent his government at the centenary celebrations of the American Mayflower Council. Few French generals have had a more distinguished career, both at home and in the colonies. At the commencement of the late war he was colonel of a regiment of field artillery. Then came his wonderful defense of Verdun, which led to his appointment as supreme commander of the French armies on the western front. General Nivelle, it is interesting to note, is half English. His father was married to a Miss Violet Sparrow, a member of a well-known English family, and General Nivelle has several relatives in the British navy.

ELMORE-ROYALL

Mr. W. E. Elmore, bookkeeper for the Farmers Warehouse of Tarboro, left last night for Lynchburg, Va., where he will be married tomorrow night to Miss Bertha Royall.

Mr. and Mrs. Elmore expect to be in Tarboro the early part of next week owing to the need of Mr. Elmore's attendance on the tobacco market.

Miss Rena Clark Entertains.

Miss Rena Clark was hostess to the Magazine Club yesterday afternoon, which was very largely attended in view of the specially invited out-of-town guests.

Miss Mary Battle and her house guest, Miss Austin of London, both of whom had recently come from Poland, where they had done Red Cross work, made some very interesting remarks on the work done by them in France, England and Poland.

Following the business meeting and the speeches, a very delicious salad course was served by the hostess.

SOVIET BOWS TO PEOPLE WANTING MORE CLOTHES

Washington, Oct. 15.—Citizens of Soviet Russia object to being limited to one suit of clothes and one pair of shoes. Therefore, the plans to that end of the Bolshevik government have been abandoned. This is reported by Consul Quarant at Viborg, France.

Peasants are now required to work fifteen days a month at wood cutting and harvesting. This is in accordance with the government's plan for increased transportation and exports of lumber.

QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts before breakfast if your Back hurts or Bladder is troubling you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lime-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

THE "OLD RELIABLE" THEDFORD'S BLACK-DRAUGHT

White Haired Alabama Lady Says She Has Seen Medicines Come and Go But The "Old Reliable" Thedford's Black-Draught Came and Stayed.

Dutton, Ala.—In recommending Thedford's Black-Draught to her friends and neighbors here, Mrs. T. F. Parks, a well-known Jackson County lady, said: "I am getting up in years; my head is pretty white. I have seen medicines and remedies come and go but the old reliable came and stayed. I am talking of Black-Draught, a liver medicine we have used for years—one that can be depended upon and one that will do the work."

"Black-Draught will relieve indigestion and constipation if taken right, and I know for I tried it. It is the best thing I have ever found for the full, uncomfortable feeling after meals. Sour stomach and sick headache can be relieved by taking Black-Draught. It aids digestion, also assists the liver in throwing off impurities. I am glad to recommend Black-Draught, and do, to my friends and neighbors." Thedford's Black-Draught is a standard household remedy with a record of over seventy years of successful use. Every one occasionally needs something to help cleanse the system of impurities. Try Black-Draught. Insist upon Thedford's, the genuine. At all druggists.
