Caruso, McCormack, Galli Curci, Heifetz, Elman, Ruffo, Kreisler, Homer, Gluck, Farrar, Garrison, Alda and many others of the great artists purposely chose the Victrola and Victor Records to record their art. The ultimate aim and hope of every artist is to become an exclusive Red Seal Victor artist. This is a stamp of per-

fection, recognized as the greatest agency in the world that controls the power of making or "breaking" forever an artist.—adv.

The Victor Talking Machine Co. manufactures more than a million Victor Records a day. Many of these are not accepted as perfect, and

hence after the elimination process not more than a million records are accepted a day. During the dull summer months, labor in the great press rooms is hard to obtain, and the production will fall below the million a day mark. The annual output of Victor Records is over two hundred million.—adv.

Next to the Victor Co., the Edison has probably the largest output of records and machines. However the output of all the record companies on the market, exclusive of the Victor, added together, will not amount to two hundred million.—adv.

UNUSUAL CONDITION

Texas Lady Suffered With Pulling
and Aching Pains in Her Back,
Which Cardui Relieved.

Houston, Texas.—Mrs. C. D. Cook, of 1912 Whitty Street, this city, recently said: "About four months after my marriage, I . . . began suffering much pain, and knew that my condition was unusual, but couldn't just decide what was wrong. I had to go to bed. . . .

"All across my back and hips were pains, pulling and aching until I could hardly sit up. I stayed in bed a few days. My husband had heard of Cardui . . . so I told him he might get it.

"After I had taken Cardui a few days, I was up. I took five bottles and haven't been in bed since for this trouble, for if I have the least symptoms of this trouble I get Cardui and take it in time.

"I have a number of friends who have used Cardui, and they recommend it very highly."

The experience of this Texas lady is similar to that related by thousands of other women.

Cardui is purely vegetable, and mild and gentle in its action. Cardui may be the very medicine you need if suffering with womanly troubles.
