FARMERS BANKING & TRUST COMPANY

Mrs. W. E. Fenner, of Rocky Mount, introduced to the receiving line, which consisted of Mrs. W. W. Green, Mrs. J. M. Baker, Mrs. Curtis Sprague, of New York, Mrs. George Howard, Jr., Mrs. George Howard, Sr., and Mrs. W. C. Clark, of Wilson.

Mrs. Don Gilliam invited the guests into the dining room, where a sweet course was served by Mesdames Tom Farrar, Thad Hussey, James Taylor, of Asheville, and William Wakeley, of New Jersey.

Mrs. George Holderness, standing at the dining room door, greeted each caller as she passed out.

The decorations were very pretty, being in seasonal colorings.

R. A. D. UPON REQUEST, THEN CHAPERONED.
New York, Dec. 18.—If your past will bear investigation, there is no need any longer to be lonely and alone in New York city—yes, this is an entirely proper suggestion. The R. A. D.—Registered Acquaintance Dance Club—will take care of your vacant hours and heart. It has chaperones who take your credentials and pass upon your application. When you are duly approved, you are notified and may then choose an evening and be "checked" for it. The rest is simple. "Your membership is your

introduction" to any man or girl in the room. There's no "uplift" about it; no "welfare" work; no anything but a dance club and a chance to belong to it. It isn't a charity. The members pay their way—and seem to get their money's worth.

Catarhal Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarhal Deafness, and that is by a constitutional remedy. **HALL'S CATARRH MEDICINE** acts through the blood on the mucous surface of the Eustachian Tube. Catarhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the mucous surface of the Eustachian Tube. **ONE HUNDRED DOLLARS** for any case of Catarhal Deafness that cannot be cured by **HALL'S CATARRH MEDICINE.** All Druggists 75c. MOTHER GAVE IT
Virginia Lady Suffered With Aches and Pains Until Mother Began Giving Her Cardui.

Dublin, Va.—Miss Mary Alice Hughett residing on Route 8, near here, recently told a visitor of her interesting experience with Cardui. Miss Hughett said: "I had been suffering for some time with painful... I was pale, didn't feel like eating. Would just drag around, and couldn't rest to do any good. I would suffer once a month with my back, sides and head. My limbs would ache and I didn't know what to do, but I knew I must do something, for I didn't get well by letting it run on."
"My mother is a believer in Cardui, for she saw what it did for others as well as herself, so she began giving it to me."
"It wasn't long before I saw a change. It was just what I needed. It regulated me. I began to eat and sleep, and the pain stopped."
"Cardui is without doubt the best female tonic made, and I am glad I can recommend it to others."
If suffering with symptoms such as Miss Hughett mentions, or other ailments peculiar to women, why not begin Cardui at once? Its merit is well established by successful use for more than 40 years.
