Experiments at Dr. Pierce's Hospital in Buffalo, N. Y., for several years proved that there is no other kind of uric acid that can be compared to Anuric (anuric acid) Tablets. For those who recognize symptoms of inflammation—its backache, scalding urine and frequent urination, as well as sediment in the urine, or if uric acid in the blood has caused rheumatism, it is simply wonderful how Anuric acts. The best of results are always obtained in cases of acute rheumatism in the joints, in gravel and gout, and invariably the pains and stiffness which so frequently and persistently accompany the disease rapidly disappear. Go to your nearest drug store and simply ask for a package of Anuric Tablets. "Anuric" is manufactured by Dr. Pierce, of Buffalo, N. Y. Or even write Dr. Pierce for a large trial package (10 cents).
