HURT ALL OVER

Texas Lady Couldn't Sit, Stand or Lie With Any Comfort. Says "Cardui Did World of Good."

Bartlett, Texas.—Mrs. Nannie Messer, of Route 3, this place, states: "About three years ago I was in a very critical condition. I had been suffering for some time. To tell how I hurt would be impossible. 'I just hurt all over. I couldn't sit, stand or lay with any comfort, my back, sides and head all gave me a great deal of trouble. 'I was especially bothered with a light swimming in my head. My people were very uneasy about me and sent me to my relatives to see if a change would do me any good. 'I stopped at a sister-in-law's and she being a great believer in Cardui, asked me why I didn't use it. I decided to try it. 'I had only taken a few doses when I felt it would do me good. This gave hope and I used it right along and it did me just a world of good, since which time I have never ceased to praise Ca.dui.'"

Cardui is for simple female complaints and womanly pains and has been found to benefit in thousands of such cases when not due to malformation or that do not require surgical treatment. Try it. NC-156a

Your Neighbor's Plan

YOUR NEIGHBOR has a plan that saves him a lot of worry and it often helps him make a bigger success of his work.

He makes it a rule to keep part of his money invested where he can get it quickly at any time. He is always ready for the unexpected demand.

His favorite plan is to get a Certificate of Deposit for the sum he wishes to keep in his surplus fund. The bank guarantees him a certain rate of profit and yet he can have the money again quickly at any time. It's a good plan to have some money where you can put your hand on it at any time. But this money can be earning more profit for you if you adopt the "C. of D." plan.
