LOCAL SOCIAL ITEMS

Two Silver Cup Prizes.

The county board of education sometime ago offered two prizes for the best basketball teams in Edgecombe county. A few weeks ago the championship for these prizes was played off at Rocky Mount. The prize for the boys' team was won by Battleboro and the girls' team prize was won by Crisp. These prizes are two beautiful silver cups, gold lined. They have arrived and are now at Bell's Jewelry store. As soon as the proper inscription is placed on these cups they will be displayed for exhibition in the window of Bell's Jewelry store on Main street.

The Southerner congratulates the two teams on their victories, and being the recipients of such handsome prizes.

Correction and Proper Credit.

In the announcement in yesterday's issue it should have been stated that the features of the ball game at Nobles Mill were the work of the batteries, the opportune hitting of John L. How Ironized Yeast Fills Out Figure

And Puts New "Pep" and Energy in Thin, Nervous, Rundown Folks

Hundreds of thousands of people all over the country are now taking IRONIZED YEAST tablets for health with results which in many cases are actually astonishing. For thin folks to gain five pounds or more on the very first package is not unusual. Complaints of nervousness, dizziness, etc., are very often entirely cleared up within 10 to 14 days. As for increasing "pep" and energy, apparent "miracles" are reported by folks who were formerly run-down, weak, and lacking in physical and mental vigor.

Here Is The Secret!

Nature intended that you should have a well developed figure, with the clear skin, sparkling eyes, strong nerves and rugged strength that goes with it. And if you are now thin and run-down it is because certain of Nature's laws have been disobeyed. Nature requires that we get a proper amount of vitamins and iron in our systems. But these two essential elements are lacking in the modern diet. That is why so many of us are thin and run-down.

Yeast Best When Ironized

The thing to do is to supply this lack by taking with each meal two IRONIZED YEAST tablets which contain in highly concentrated form, a specially cultured yeast, grown under the strictest supervision for medicinal purposes—a yeast unequalled for its richness in the essential Water Soluble B vitamins. In addition, it contains the correct amount of the two other vitamins—Fat Soluble A and Water Soluble C—which are equally important to health. These three vitamins bring excellent results even if taken alone—but when taken with the proper amount of easily assimilated organic iron, as in IRONIZED YEAST, these results are secured often in just half the usual time!

Watch The Results!

Note how IRONIZED YEAST immediately increases your appetite—how it enables you to get real joy out of every morsel of food you eat. See how quickly it drives away pimples, blackheads, etc., and how your newly acquired "pep" makes hard work or play a pleasure instead of a task. Try IRONIZED YEAST today! Pleasant to take—will not cause gas or in any way upset the stomach. Each IRONIZED YEAST tablet wrapped in waxed sealage paper, thus assuring 100% purity and strength. Special directions for children. Go to your druggist for mail coupon today.—SOWI

WARNING!

Not all yeast will give the desired results. There are certain types of yeast which have absolutely no value medicinally. By insisting on the genuine IRONIZED YEAST, and refusing cheaper imitations or substitutes you can be sure that you are taking a vitamin tonic treatment which is unsurpassed in effectiveness, convenience and genuine health-building value.

Note:—IRONIZED YEAST is sold at all Drug Stores on our guarantee of complete satisfaction from the first package or your money refunded.
