

AN EARLIER ELECTION.

Rev. Bertram E. Brown of Tarboro came up far back in the church and said the convention talked as though only human agencies were to be employed in the election of a bishop. "Let me read you the account of the election of the first bishop," said the preacher with a fine faith in Apostolic succession. He read from the Acts of the Apostles St. Luke's report of the choosing of St. Matthew. It was a fine turn. And inasmuch as Brother Brown is on the tongue of many men, his wasn't a bad speech for a possible bishop. It was a walk-over for the proponents of action now.—Greensboro News.

Hall's Catarrh Medicine
Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. **HALL'S CATARRH MEDICINE** is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions. All druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

At the last regular meeting of the Board of Commissioners of the Town of Tarboro held on May the 8th, a resolution was adopted by the board allowing all property owners affected by paving assessments levied by rights of Town Charter which were due and payable upon completion of work, to have said assessments changed, thereby giving them ten years to pay same, by applying to City Clerk and signing an agreement authorizing him to make change, provided this is done prior to June 5, 1922.

Last year a sudden hail storm caused a loss to one small group of farmers that totaled \$1,000,000 all within a period of 15 minutes.

BASEBALL DOPE

Walter Davies is manager of the New Bern baseball club. Players thus far announced as signed include Casey and Fred Morris of the University of North Carolina, Joe McClean, second sacker, and Lindberg, Washington and Lee star. These players were with New Bern last year.

Among others to report are Norman Shepard, former Davidson College star, who will play outfield, Ormand and Spikes from the Trinity College nine, leading college hitters of the state this year, Adams and Bergen of Syracuse State and Carl Jeanette complete the roster thus far secured.

From the dope flying around McNair's, there is no doubt but that Tarboro will positively win the first half this year.

Local fans will recall the poor condition of the Greenville diamond last year. One thousand dollars is being spent on this same turf back this spring.

Manager Frank Walker has released Louder who was unable to locate the plate. Louder was from Hamlet.

Ormand, Trinity College star who goes to New Bern, led the hitters in college baseball this year with an average of .425. The Trinity College club as a whole batted .325.

Bambino, King of Swat, the Biffing Babe, will make his grand return to the fold of the New York Yankees Saturday. His entrance will be watched with a great deal of interest.

George has wisely kept his proposed team a dark secret. Red Stuart, who was unanimously selected to manage the club, will report here in a few days and by the 25th of May players will begin to arrive. Practice starts immediately. Two or three exhibition games will probably be arranged as a tacker for the proper selections.
