have these two systems is like a man the General Electric Company will trying to serve God and Mammon. spend some time here with Dr. Baker It is impossible.

THE WEA KSPOT IN FARMING WHERE IS IT?

Every thinkink man realizes that in farming here is a weak spot somewhere and since the agitation of the Cooperative Marketing has been going on so vigorously for the last few months in North Carolina that weak spot has surely been found and it lies at the Farm's door.

tolved, the valuable assistance rendered by the Agricultural Department of the state and nation have worked great wonders in agriculture during the few last years.

But the weak spot is not there.

An anseunsement will be sent to Mr. Horne of the Rocky Mount the profession at the proper time.

While in Chicago Dr. Baker will be thoroughly instructed in the technique and in the operation of the Both systems can not prevail in machine and in addition to that an the same section for a country to electrician from the laboratory of giving him practical instructions in treating internal cancers and other discases for which the x-ray and radium are used.

> SOLVE HOUSING PROBLEM AT HARVARD UNIVERSITY

CAMBRADGE, Mass., June 2,-A comprehensive plan for solving the critical housing problem of the Harvard business school by lifting it bodily out of its present surround-The cultivation and production of ings and erecting for it a new group farm products have been practically of buildings within easy reach of the consideration by officials of the university. Tentative plans have been made for raising the necessary funds and it is hoved that the building may become a reality in the immediate The new group would consist of a

When it is realised that the over- central building with administrative age larence la a producer and not an offices and classrooms, and from two expert seller the light begins to dawn to four dorimeories for students. At that the weak spot lies in this part of present the business school has its headquarters in University Hall, holds its cineses mostly in improvised space such as the basement of Lawrence Hall and the basement of the Harvard Union, and is able to house loss than a quarter of its students in dormitories. Wallace B. Donham dean of the business school, said that to the markets of the world there by him the provision of dermituries for those markets and searing men studying business at Harvard is even more important than the secur-When he learns to merchandise his students are to get the most out the students are to get the most out of their two years of graduate work.

"The importance of domattories in By adopting this system he will not generally recognized that they are as important to a graduate description in will be also to star with the principle of the star will be also to star with the mineral has now as the whole matter that if we were offered the choice between the character it is a meaning to another the darmiteries.

## SAVE MONEY BY MAKING YOUR OWN SOAP

Here is the way to make 10 pounds of good soap

Every housewife should know When scrubbing the bathroom how to make this pure soap. All floor, a teaspoonful of Red Seal that is needed is one out of Red Lye in the water will kill all the Seat Lye, 5% pounds of waste germs and make the water soft, grease and a little water. This thereby saving soap, time and labor. will make twenty cakes of powerful cleansing soap, enough for all
cleaning and scouring purposes to
last several months. Full instrucpleasant odors and make your cellar clean and sweet smelling. tions in the can.

Another important use for Red Seal Lye is keep-ing the drain pipes free. If the drain runs slowly, shake a little Red Scal Lye into the pipes and it will clear things out in a jiffy.

Hall's Catarrh Medicine Those who are in a "run down" condition will sotice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Toule and Blood Purifier, and acts through the blood upon the miscous surfaces of the healty thus reducing the inflammation and residence or miscous conditions.
