Macesfield, N. C.

The Southerner would ask the county sanitary officer, Mr. Walker and Mr. Daniel of the town, where do so many flies come from? Around the City Hall these flies are by the thousands. Considerable complaint is coming from the merchants on Main street. It may be that there are some foul back lots. Anyhow, a little investigation would not be out of order.

Hines Ice Cream

Dealers number scores in most of these places. At the most reputable places it will be found, fresh, well-packed—deliciously tempting, pure as 1922 Ice Cream ideals can make it, as good as the best that is made in the region. A variety of flavors, "loose," in whole bricks and in sliced separately wrapped bricks.

ASK YOUR DEALER IF HE HAS HINES ICE CREAM REGULARLY?

The chances are that he has. Many new dealers are being added weekly. Special orders are solicited and carefully executed. Try Hines Ice Cream for your party. Order it for the summer-day luncheon or supper. Its moderate price makes it an economical addition to any meal, and there is nothing in the usual run that is more nourishing.
