BUSINESS IS GOOD—WHY?

Business is good. What makes it good? Money is "easier," they say. It is the same money that was "tight" 12 months ago. What has made it "easier" now? Do you really want to know what has made it easier? Then here is the answer: A group of men wired and phoned to all Federal Reserve centers in the early part of May, 1920—"The tie-up comes on the 15th." That is exactly how "deflation" came. By the decision and order of a private group. It was not a "natural" but a decision of the people. Then some men said, "Let's ease up a little. Then we can come in and borrow money." And then all of a sudden business is good. The business was always there—waiting. Men, women, men, all knew but no money in money all there, too, but money.

Some people rub their heads when they try to understand the Money action. Let them be warned—don't go to a decent life; no one understands it; our present system is educational to baffle national minds, animal's thoughts don't count and if they only play it. If the money it does can induce you to let "understand" the monetary system then they have you tied up for rest of your life.—Dearborn Independent.

COLORED PEOPLE OF LOCAL CHURCHES ARE GRATEFUL

The greatest picnic in the history of the colored Sunday schools of Tarboro was enjoyed by all at Nobles Mill pond Thursday, July 18. There were 800 people on the grounds.

More than \$100 came from sales of Rocky Mount and many items of school at Piney Woods. Through the kindness of Mr. Killislow, the pleasure of the pond and the boats were given the colored schools for this day, and the old folks as well as the children enjoyed into the picnic and happy hours. Among this large crowd the very best of order prevailed all day, and not a single incident.

Mr. Frank Green allowed the use of his baseball park and a splendid game was played between Tarboro and Rocky Mount.

The dinner was one of the popular features of the day, the tables reaching from the porch to the road and decorated with all the gaudies of the season, and every dish became a hit.

We wish to express our special thanks to Pender-Hawkins Co., Tarboro-Bethany Co., Farmers' Furniture Co., W. S. Clark and Sons, B. T. Howell for their trucks to transport their kitchens that made it possible for us to get to the picnic rounds. We thank all that did anything to make for this union picnic its success that it was. It is our desire to have one for all once a year when all back to duties. Again we thank all the people.

General Committee.
