### THE RIGHT WAY TO KILL GERMS

Here is a powerful and recognized disinfectant which kills the germs.

Is your cellar sanitary? Germs will multiply by the million overnight, in a damp, musty cellar. Make a solution of Red Seal Lye and sprinkle into all the dark corners, and all mustiness will immediately disappear, leaving your cellar fresh and sweet smelling.

If your kitchen sink does not drain quickly, here is an immediate remedy. Sift a little Red Seal Lye into the pipes. The lye will combine with the grease and dirt, forming a solution which will be carried off quickly by the water, leaving the pipes free and clean.

\*Housewives may save money by making their own soap. All that is needed is one can of Red Seal Lye and a quantity of waste grease or fat, such as would ordinarily be thrown away. The one can will make twenty cakes of pure soap at less than one cent per cake. See how quickly and easily Red Seal Lye will clean the wash-stand, tub or closet bowl.

Red Seal Lye is put up in handy round cans. It contains no filler or adulterations. It is absolutely pure. Send for the Red Seal Booklet which explains many recipes and uses of the famous Red Seal Lye. Write today. Ask your dealer for the old reliable Red Seal Lye. Take no other.

#### REV. R. A. LAPSLEY, JR., HEARD BY PRISONERS

Rev. R. A. Lapsley, pastor of the First Presbyterian church, preached a sermon to the prisoners in the state penitentiary Sunday afternoon. It was the regular Sunday service for the prisoners, but it was the first time Mr. Lapsley ever addressed them. He made a strong impression on the men and many are quoted as saying they enjoyed the service. Mr. Lapsley asked the men what was their favorite verse in the Bible. The largest vote was for John 3:16, and then the preacher asked the men to recite the verse. The larger portion of the prison audience joined in the words: "For God so loved the world, that He gave his only begotten Son, that who soever believed in Him should not perish, but have everlasting life."—Columbia Record.

### There is Strength in Every Tablet

One dose often helps commence to enrich your blood and revitalize your worn-out exhausted nerves—Nuxated Iron is a newer form of iron, like the iron in your blood and like the iron in spinach. It is so prepared that it will not injure the teeth nor disturb the stomach. It is ready for almost immediate absorption and assimilation by the blood while some physicians claim metallic iron which people usually take is not absorbed at all. If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nuxated Iron—three times per day, after meals for two weeks. Then test your strength again and see how much you have gained. Nuxated Iron is sold under an absolute guarantee that your money will be refunded if you do not obtain perfectly satisfactory results. For sale in this city by
