## THE COPFPRTIVE

 Siles y Eesterar Rocky Mount reports that therewere between 30,000 and 40,000 lbs of tobacco delivered at the coopera-
tive warehouse there yesterday. Pinetops reports $11,132 \mathrm{lbs}$, deliy-
ared and Tarboro reports $17,684 \mathrm{lbs}$.
visitors came along and piled up six
runs. The Geenvile boys ultant and began to play easy, thinkkept right on plugging away an
landed three more runs. This threw a fright into the visitors, who took
Walker out and put in Beale, con-
sidered the best pitcher on Green-
ville's staff, and the first thing he prevalled at Tarboro and Pinetops.
In all the co-op warehouses are cards giving the advance prices of the five princip:
are as follows:
$\qquad$

## Advances on cutters, of which there will be 14 grades, range from $\$ 8.80$ to $\$ 20$ per hundred.

Advances on smoking lugs rans
from $\$ 1.20$ to $\$ 7.20$ per hundred.
Advances on primings range fro Advances on primings range
$\$ 1.20$ t $\$ 6.40$ per hundred.
These are flat advances and These are flat advances and the tobsceco or total
