MARSHALL C. STATON,

U. S. Referee in Bankruptcy.

Hatfield, Ark.-Mr. G. W. Parsons, a well-known farmer on Route 1, this place, says: "I keep Black-Draught in my home all the time. It is the best all-around medicine I have ever found for the liver and for constination. We began using it 25 or more years ago and have used it whenever needed since. I have never tound any other medicine as good for constipation, and that was what I suffered with till I began using Black-Draught. Black-Draught corrected this condition, and now we use it for the liver and for indigestion-a tight and sluggish feeling after meals, for bad taste in the mouth

and sour stomach. "My wife uses it for headache and biliousness. It sets on our shelf and we don't let it get out. It has been a great help to us. I believe a great deal of sickness is caused by hurried eating and constipation, and Black-Draught, if taken right, will correct this condition." Get Thedford's, the original and only
