NOTICE OF ACTION
Carrie Parker vs. Harry Parker
 The above named defendant will
 take notice that the above entitled
 action has been brought in the Su-
 perior Court of Edgecombe county
 to dissolve the bonds of matrimony
 existing between the plaintiff and
 defendant. And further that the de-
 fendant duly appear before the clerk
 of the superior court of Edgecombe
 county at the court house in Tarboro
 N. C., on the 15th day of November,
 1922, and answer or demur to the
 complaint herein filed, as provided
 by law. This the 16th day of Octo-
 ber, 1922.

A. T. WALSTON,
 Clerk of Superior Court.

One week from today the Coastal
 Plain Fair will open.

One week from today our people
 will begin a week of solid fun and
 pleasure.

One week from today, the races
 will start and the pleasure begins.

One week from today the Midway
 will open and the young folks will
 have a good time.

One week from today our people
 will see just what they can have in
 a Fair when everybody gets to-
 gether as they have done this year.

JUST ONE WEEK OFF TODAY

Just one week from today the
 Coastal Plain Fair will throw open
 its gates and welcome the people in-
 to the grounds.

Work has been progressing rapidly
 upon the buildings and the grounds
 and in a few days everything will
 be ready for the Fair.

The Southerner advises all those
 who have anything to exhibit to send
 it in as soon as possible and not to
 wait until the last minute when it
 may cause a rush.

It takes a great deal of time to
 arrange the exhibits and those in
 charge of the several departments
 cannot do all this work in a day.

If all indications point true, the
 Coastal Plain Fair will do itself proud
 this fall, for never was there a year
 when so much real interest has been
 shown in the Fair.

To prove that this statement is
 true, we should consider the Com-
 munity Fairs that have sprung up
 all over the county as if by magic.
 At these community fairs will be
 seen splendid displays, and when all
 the community fairs bring in all
 their exhibits to the Coastal Plain
 Fair, Tarboro will have a fair that
 everybody will be proud of, to be
 sure.

Everybody in the town and county
 is talking fair and thinking about the
 fair and surely no better omen
 could be asked than this, even if it
 were all.

But even with all this there is
 more that needs to be said. For our
 people to appreciate what they have,
 it is necessary for them to see it
 with their own eyes and here is only
 one way to do this and that is to
 come to Tarboro next week and wit-
 ness all the good things that will be
 seen.

HELP! HELP! HELP!

Today we are investing about
 \$30.00 in two cent postage
 stamps to mail out a statement
 to each one of our subscribers
 that are not paid up in advance
 on our list. When you get this
 statement, don't lay it aside,
 thinking that we can continue
 to wait for our money. It takes
 considerable money to keep the
 Southerner going to you, the
 bulk of our expense comes every
 Saturday to make our pay roll,
 this money has to come, whether
 you pay promptly or not and
 we have about exhausted all of
 our means to keep the paper
 going to you. (Some of you
 for three and four years have
 not paid us a cent). Now, cot-
 ton and tobacco are both bring-
 ing good prices, we cannot take
 no for an excuse any longer.
 We must have the money and
 have it now, or we will be forced
 to cut our list down to just
 those who want the paper en-
 ough to pay for it. Please do
 not delay and force us to drop
 your name from our list.
