WANTIANS FOR THE RED CROSS

At the last session of the Kiwanis Club it was decided to put over the drive funds with which to carry on Red Cross work in Edgecombe County.

Several committees have been organized and on the 17th day of November this drive will take place. It is hoped that this great work may be continued in the county sufficient to make a difference as made by the county and elsewhere is not sufficient.

Last year the Red Cross work was carried on and the splendid report set out by Dr. Gyles should be appreciated by all lovers of humanity.

Unless the people have actually entered into personal contact with the work here, it is hard for them to realize what has been done. This Red Cross work is in conjunction with the general health work of Dr. Gyles.

Every doctor in the county has signed his personal approval and all want to see it continued. Miss Massey is the present Red Cross nurse for Edgecombe and she accomplishes wonders among the people of the county.

The people of the county will be asked to become members and also to be asked to make contributions other than the membership dues.

Now the folks must not think that it costs nothing to carry on this work, for it takes several thousand dollars each year, every dollar of which is spent in a wise and judicious manner for the betterment of the people.

The time has now come when the county can afford to be without this department.

It is impossible to state how much suffering is allayed and how many poor folks are attended to in a way that costs them not a cent.

This appeal for funds from our people should not be passed by heedlessly.

As the years pass by this feature of public service is becoming more and more prominent and is each day gaining strength and popularity.

Of course no one is obliged to help, but when this matter is properly presented to our people we believe they will respond as they have always responded in the past.

If everyone will do their bit no one will be burdened and the Red Cross will go as successfully in the future as it has done in years gone by.

Rally to the Red Cross and help suffering humanity.

AMERICAN CANNED MILK IS POPULAR IN RUSSIA

(By The Associated Press) Petrograd, Oct. 6.—American evaporated milk is finding an enormous sale in Russia. Nearly as much milk in this including brands never retailed in the United States, is shown in the shop windows of Petrograd and Moscow as can be found displayed in American cities. Many of these brands apparently are put

put exclusively for the export trade. The price here for a one-third pound tin is from 20 to 30 cents. American milk may be bought at the railway stations, in the villages, and at the great markets in the cities. In many instances it is peddled by children.

MR. ZENO MOORE AT HOBGOOD

Mr. Zeno Moore was present at the Community Fair at Hobgood yesterday and was one of the judges of the agricultural exhibits there. He will go to Roseneath, Halifax county, tomorrow, where another community fair will be held, and there he has been asked to act as one of the judges of the Agricultural and other farm exhibits.

Mr. Moore speaks in the most complimentary way of the exhibits at Hobgood and said that this fair deserves great credit.

Hall's Catarrh Medicine
Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions. All druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

ARMISTICE DAY SATURDAY

Next Saturday is Armistice Day. Nearly every town of any importance around us will have a big program, but as yet the Southerner has heard of nothing to be done in Tarboro on that Day.

Scotland Neck and Tarboro are preparing for a big day. What will Tarboro do this year?

"WORSE THAN PAIN"

Louisiana Lady Says She Has "Never Found Anything Better Than Cardui for a Run-Down Condition."

Morgan City, La.—"It would be hard for me to tell how much benefit I have derived from the use of Cardui," said Mrs. I. G. Bowman, of 1319 Front Street, this city.

"I was so run-down in health I could hardly go. I was thin, I had no appetite. Could not rest or sleep well. I was so weak, and so very nervous, I was no pleasure to myself.

"I suffered some pain, but the worst of my trouble was from being so weak and easy to get tired and out of heart.

"This nervous condition was worse than pain.

"Some one told me of Cardui, and I decided to use it.

"After using a few bottles, I regained my strength. I wasn't so nervous, and began to eat and sleep, and grew stronger and was soon well.

"I have never found anything better for a run-down condition.

"If you suffer as this Louisiana lady did, you, too, should find Cardui helpful for your troubles.
