WHAT MEN ADMIRE!

All men admire a healthy woman. She is beautiful to them no matter how old she is. Features, if she is healthy, young. No chance of a marriage proposal for such a girl. If she is old, weak and nervous, she is doomed to be an old maid. Fortunately for such a young woman there is an old reliable remedy that will restore clarity and youthful bloom. Dr. Pierce's Prescription, made of herbs, will tone up the nerves, relieve woman's weaknesses, and with renewed health, beauty will follow.
