## PARENTS-TEACHERS ASSOCIATION HOLDS SESSION LAST NIGHT

It was only a few days ago that the Parents and Teachers of Tarboro decided to organize a Parents-Teachers Association. At the meeting last night the organization was perfected and started in on its work.

Last night there was a regular meeting of the Association and there were present more than one hundred and fifty people, and this was a most enthusiastic session.

Everybody present seemed to enter wholly and unreservedly into the spirit of the meeting and made it a success.

After the formalities of the session had been gone through with, there were several short addresses.

The first address of the evening was by Mrs. Dan Iverson, whose subject was "What the Association Means to do in Tarboro."

"The American Education Week" was discussed next by Mrs. Forest Sledge and one of the teachers in the schools told her audience what the other towns had done with the Parents-Teachers Association.

At this meeting the by-laws and constitution were adopted and from now on this association will begin to get down to good active work.

The officers of the association are President: Mrs. Dan Iverson; Secretary, Mr. J. L. McGehee; Treasurer, Mrs. W. L. Simmons.
