### CHILDREN INJURED

. Ordinary Cathartics and Pills and Hash Phisic Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for your children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They may cause griping, nausea and other distressing after effects that are frequently health-destroying.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy, which we know, for constipation and associate bowels disorders. We have such absolutesucrf hrdlu hrdluhrdlup such absolute faith in the virtues of this remedy that we sell it on our guarantee on money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our expense.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhaea, nausea, griping excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming weakness, and aiding to restore the bowels to more vigorous and halthy activity.

Rexall Orderlies commonly pletely relieve constipation, except of course when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition. Three sizes of packages, 10 cents, 25 cents and 50 cents. Re member you can obtain Rexall Remedies in Elizabeth City only at our store-The Rexall Store. The Stan- you have, "nuff said" for you are dard Pharmacy.

The Lamp That Saves The Eyes

Children naturally never think of possible strain on their eyesight when poring over a fascinating book. It is up to you to see they do not ruin

their young eyes these long evenings by reading under a poor light.

The Rayo Lamp is an insurance against eye troubles, alike for young and old.

The Rayo is a low-priced lamp, but it is constructed on the soundest scientific principles, and there is not a better lamp made at any price. It is easy on the eye because its light is so soft and white and widely diffused. And a Rayo Lamp never flickers.
