Johnson of Creswell. The pall bearers were Messrs. E. S. Blount, J. W. Buchanan, O. L. Peacock, A. F. Johnson, J. F. Leary, J. M. Clagon, C. L. Walker and James Herrington.

The community as a whole extends sympathy to the bereaved family.

## EFFECT OF GREAT KIDNEY REMEDY SOON REALIZED

I feel it my duty to let you know what Swamp-root did for me. I was bothered with my back for over twenty years and at times I could hardly get out of bed. I read your advertisement and decided to try Swamp-root. Used five bottles, and it has been five years since I used it, and I have never been bothered a day since I took the last bottle of it. I am thoroughly convinced that Dr. Kilmer's Swamp-root cured me and would recommend it to others suffering as I did.

My husband was troubled with

kidney and bladder troubles and he took your Swamp-root and it cured him. This was about five years ago.

You may publish this letter if you choose.

Very truly yours,

Mrs. Mattie Camfield, R.F.D. No. 3 Gobleville, Mich. Subscribed and sworn to before me this 13th day of July 1909.

Arvin W. Meyers, Notary Public for Van Duren County, Mich.

## PROVE WHAT SWAMP-ROOT WILL DO FOR YOU.

Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing be sure and mention this paper. Regular fifty-cent and one-dollar size bottles for sale at all drug stores. feb5-12-19-26.

## Ocracoke News

Ocracoke, N. C., Jan. 24th—Ocracoke is the scene of its first theatrical performance. The Guy Johnson Stock Company are engaged in vaudeville at the Ocracoke Wave theatre here this week.

A large pleasure pier and pavillion to be known as the Ocracoke Pavilion will be built at this place and opened to the public early in the summer. This pier will extend out into the water a distance of more than one hundred feet. The increasing popularity of the island as a summer resort has suggested to the promoters such a pavillion as would invite the interest of the large this resort.

The pier will be provided with capacious bath houses for ladies and gentlemen, soda fountain and ice cream parlor, an orchestra and such other concessions as will be practical. Electric lights will be installed in such a manner as to present a

spectacular appearance. The pier will provide a place of safety for the large number of gasoline launches and small craft.

Rex Beach, the noted fiction writer, has been enjoying quite an extended hunting trip here. He was accompanied by several other northern capitalists. Mr. Beach has the reputation among the local hunting guides as being the best shot of any hunter that ever shot from a battery in these waters. He said he was most fortunate in having for his guide Rye Garrish, whom a noted New York hunter says can call every goose by its middle name.

I offer for sale my house on church street. Will sell either for cash or on long easy payments to suit purchaser.

## SENSE

We've Had So Many To Ask Us The Following Question That We Feel That It Is Only Justice To Ourselves That We Answer It.

Why is it you people do not put in a magnificent set of fixtures and make an elaborate display? That question, we beg leave to answer. It stands to reason that if we put in one hundred or one thousand dollars worth of fixtures we are going to make the public pay for our magnificent fixtures by making the prices of our clothes higher. Our method of doing business is to curtail expenses, make quick sales and do a larger business and above all else save the public in general several dollars which

we would have charged them had we fixed up our store and spent several hundred dollars in so doing. Now Gentlemen, if that is not horse sense, What is? If we spend dollars upon dollars in fixing up our store it stands to reason that you are going to pay for it. As our store is at present we can and have already saved the men of this city and vicinity several dollars on their clothes and we intend to continue doing so.

Our Method of doing business is quick sales, small profits and curtailment of expenses in general. In the latter we are in a position to make our prices lower than elsewhere. Look our Spring and Summer line over. If you cannot find a selection in our line you may as well take the next train for the city. We have the goods and also the styles. We make our own clothes, and therefore save you the middleman's profit. We have several orders on file to be delivered later so make yours one of the orders. We have to-day, in our store over eight hundred woollens from which you are bound to make a selection. Suits from \$15 up. A fit or you do not take the suit.
