DIVERSITY EDITION-THE ADVANCE

The Alkrama Theatre A Model of Excellence

One of Best Ventilated Play Houses In the Country. A Variety of Attractions that Appeals to all Classes Pleasure-Loving Folk.

The Alkrama theatre has long (gitianate dramatic offerings or

ren Kerrigan-"

Ah! we knew that would take your eve, 'ar lady. You're no more than human, and where is there a well posted woman in all the land who doesn't sit up and take notice at the mere mention of that name? But this story hasn't any thing 10 do with Warren Kerrigan further than that, as we started in say, he will be 'seen occasionally at the Alkrama. A He will be in the best of company, too, for in the distinguished gathering with him will be, perhaps Mary Pickford, Pearl White, King Baggott, perhaps once in a while Maurice Costello, Charles Chaplin, and scores of other celebraties of the movie world. The Alkrama is a specialty playhouse, for the e is a feature-a distinctive feaup for a topliner simply at the top of the hill-presen-fixings that suppresses ted every night. a vandeville to be had trons are a critical lot, vande hamfatter of the old ville is the feature. can be had the best of the le-frock-coated villian

since won the ublic's approval. opera or lighter stuff takes pro "As we started to say, War cedure over the pictures. And when neither the legitimate nor the vandeville-good of either-18

can be had, and the bill solely pictures, the pictures are only of the best

lovely The Alkrama is a place on the interior. It cost a preffy penny, and John Drew even wouldn't make remarks about it in the dressing room's seclusion janitor the the 1101 "other" actor There isn't folk. anything gaudy about the decorations The proprietors had enough money to spend to avoid that. and Director Walter Damrosch could hardly be expected grunt "vodeville" if he were called upon to conduct his famous orchestra upon its stage. There is something about the arrangement of the Interior that makes whatever is going ture, not a silly subject boosted on in it seem perfectly natural be There is a perfect blending of cause there must be something the decorations with the stage anv If there is harsh effect that the production good being played might have. A enough for the Alkrama's par Drury Lane pantomine might trons, and the management be rendered. Hamlet's father's realizes that the Alkrama's proghost might prowl around, any school When it might howl out his abuse of a 10

hearts content ,or little Willie might die all over the stage Local Ice Plant Progressive. The Back and in the orchestra pit without the scene losing one whit of its effect because of imperfect environment. The Al krama is distinctly a theatre, and wasn't built for a grocery store. The accoustics are good.

The Alkrama is equipped with two moving picture machines, a number 6 Powers op erated with a motor and one crank machine in reserve.

The Theatre has been in opp eration five years. A. K Kramer is owner and manager He knows what his patrons want and caters accordingly. The thea tre has a seating capacity of eight hundred, and the gallery is yet to be extended into horseshoe to bring the capacity up to more than a thousand

Four boxes are contemplated The stage Apace is also to be in 'reased chinery to turn out 75

The Alkrama has been called y experts one of the best yeu tilated theatres in the country. It is open all the year round.

Spincer, D. M. Love, the secretary, and President and general Manager Love. All are substantial citizens and known in the city.

The Crystal Ice and Coal Company is an enterprising organization, with a prosperous business and a growing one. Not many cities of this size have a plant to make seventy five tons of ice per day. Too many citizens frequently face famine when the weather gets extremely hot and the demand is to great for the supply. Thanks to these business get ters and city builders, the sup ply here is not apt to fall short for years to come.
