# GIVE ELECTRICAL APPLIANCES!

How often one hears the exclamation: "If I only knew what (he or she) would like!"

A new field for choice is offered by Electrical Appliances. There is some useful device for almost every person, whatever his age or circumstances, and a wide range of prices.

Usefulness, Convenience, Durability and Beauty can all be found in Electrical Appliances, thus making them very appropriate as

## Christmas Gifts

There is one great point to be considered in favor of Electrical gifts. No matter what device, it will represent the most modern way of performing the service for which it was intended. Furthermore, it is a thing that can be enjoyed in most cases not only by its recipient but by others of the family as well.

Every year there are being used more and more Electrical Appliances as Holiday Gifts, notably

- Flatirons
- Toasters
- Chafing Dishes
- Coffee Percolators
- Grills, Stoves, Etc., Etc.

This is to be expected and their use will continue to increase because Electrical Appliances have qualities that make them suitable as gifts for every occasion.
