

**Dr. N. McGee Waters**

Dr. N. McGee Waters, pastor of the Tompkins Avenue Congregational church, will preach in the town of Elizabeth City, N. C. on the first Monday in June, 1916, the following described property:

**Boy Choir at Chautauqua**

Aside from the delightful and refreshing novelty of seeing on the platform the sweet, youthful faces of these boys, you may expect to see a perfectly trained organization of uncommon merit and musical worth. Their program will be divided into distinct features. "The Angelus," presented with special scenery and the vestments, introduces secular and sacred songs. The other half will be given without the vestments and will feature more the interesting, cheery songs so dear to the American boy.

**SCHUBERT STRING QUARTET**

The two concerts to be given at Chautauqua on the third day by the Schubert String Quartet will be a decided musical treat. Frederick Blair, who heads the quartet, formerly a professor at Smith college, is well known in Boston and New England musical circles as a pianist and a composer. He plays the cello, Frank Currier first violin, Lawrence Jordan second violin and Edward Kowinski viola. For breadth of style, tenderness and charm in their rendition of the great masterpieces they are unexcelled.
