ELIZABETH CITY, NORTH CAROLINA, TUESDAY MORNING, JUNE 6, 1916

NO. 45

BICKETT HOLDS HIS SAFE LEAD

Cohoon Carries Chowan, Gates and Hertford But Concedes Defeat

News came yesterday that Bickett had carried the State by a majority of about twenty thousand, and to-day little can be added to that statement. Official returns will reach Raleigh to-day, however, and perhaps to-morrow definite figures can be had.

Complete returns from Currituck give Daughtridge 46, Bickett 280; Grimes 367, Hartness 253, Clark 28; Mann 385, Lacy 266; Manning 167, Sinclair 223, Calvert 145, Jones 97; Shipman 401, Dellinger 199; Lee 278, Boyd 324; Hobbs 255, McKinnon 44; Graham 323, Young 357, McClenaghan 275.

Official returns from Pasquotank gave Daughtridge 379, Bickett 746; Grimes 904, Hartness 45, Clark 115; Mann 565, Lacy 147; Manning 473, Sinclair 431, Calvert 85, Jones 35; Shipman 635, Dellinger 251; Lee 756, Boyd 163; Hobbs 159, McKinnon 102, Graham 671; Young 740, McClenaghan 219.

Bickett's majority in Hertford County is reported 237. Lacy, Shipman, Lee and Graham have good majorities in that county, and Manning leads for Attorney General. Hertford gave Cohoon a 200 majority over Johnson. Cohoon carried Gates by a small majority, according to a phone message from Gatesville yesterday.

Complete returns from Camden give Bickett 268 Daughtridge 84, Grimes, 378, Hartness 17, Clark 28, Manning 196, Sinclair 89, Calvert 99, Jones 18, Shipman 292, Dellinger 89, Lee 271, Boyd 140, Hobbs 33, McKinnon 32, Graham 309, Young 150, McClenaghan 138. Camden gives Cohoon 162, Johnson 587, McIndier 430.

Manteo precinct gives Daughtridge 7, Bickett 80; Grimes 83, Hartness 3, Clark 2; Mann 77, Lacy 8; Jones 59, Manning 13, Sinclair 16, Calvert 4; Dellinger 16, Shipman 64; Boyd 12, Lee 66; Hobbs 5, McKinnon 1, Graham 76; Young 80; In this senatorial district returns that have actually come show Bickett with 2730 votes as against 1175 for Daughtridge.

Other candidates who have run well in this district and who are certain to have received the nomination are J. Bryan Grimes, Secretary of State, W. A. Graham, Commissioner of Agriculture, M. L. Shipman, Commissioner of Labor and Printing, and James R. Young, Insurance Commissioner. Lee running against Boyd for member of the Corporation Commission has carried practically county in the State.

J. S. Manning, who is thought to be in the lead for Attorney General, has polled a large vote in this district, Sinclair running him a fairly close second. According to returns in hand Mann leads Lacy for State Treasurer in this district by a small majority but at Raleigh Lacy's nomination is conceded.

No contest in this district has been of more interest in Pasquotank than that for the State Senate, with three candidates, Cohoon of Pasquotank, Johnson of Currituck and McNider of Perquimans in the running. It now appears from the incomplete returns now in hand that the nomination belongs to the last two candidates named. Two years ago Cohoon won the nomination to the senate largely by the support of the rural vote in this county. This year his highest rural vote came from Salem and there McNider got three to his one. In three precincts, Mt. Hermon, Cartwright's School House and Nixonton, Cohoon got only two votes. As far as returns are in from the district they give Cohoon 1624, Johnson 2274 and McNider 2415.

LITTLE FOLKS ENJOY JUNIOR CHAUTAUQUA

Chautauqua goes last year, and especially the Junior Chautauquans have not forgotten the fun of seeing themselves in moving pictures on the second of the Seven Joyous Days.

The picture will be made again this year and everybody should look out for the parade on opening day and get in the pictures. The pictures will be taken as the parade marches down Main street on opening day and will be shown on the screen at Chautauqua on the first or second night.

Mr. R. E. Carels is the official Chautauqua photographer who takes the pictures, develops and shows them. Such quick work is possible because of especially improved photographic devices and the skill of the Chautauqua photographer.

Junior Chautauqua will meet at the close of the first afternoon's program, and all children are invited to stay.

"Junior Town," the very successful plan of last year, will be used again. The children will elect their own Law and Order, Health, Clean-Up, and Make Good Commissioners. Many new features have been added.

The children of Junior Town will present on the last day of Chautauqua a bright new play, "Uncle Sam's Experiment." Uncle Sam himself will be in it.

New songs, written especially for Junior Chautauqua, new games, new stories will be used this year. There are badges for the Commissioners, membership pins for all, and gold pins for fourth-year members. On opening day the children should bring the pins received each preceding year.

The age limits are from six to fourteen, and Chautauqua urges the children to earn some money and buy their own tickets.

The Superintendent of Chautauqua this year is Mr. Cook of Vicksburg, Miss., one of the most experienced Superintendents on the circuit, and one of the most successful.

He has been very prominently connected with the Boy Scout movement in the South, and is intensely interested in all that contributes to the development of the life of the boy. He will lecture upon "Literary Hearst-stones," and will speak especially of Lanier, Kipling, Emerson and others.

It is time to be buying season tickets for these Seven Joyous Days, for Chautauqua begins next Saturday and the guarantors must finish their ticket selling campaign by that time.

DARE COUNTY POSTMASTER CHARGED WITH EMBEZZLEMENT

TRIED BEFORE COMMISSIONER WILSON MONDAY MORNING

Mr. Paul Mann of Manns Harbor was brought before United States Commissioner, T. B. Wilson, Monday morning on the charge of embezzlement of government funds coming into Mann's hands as postmaster at Mann's Harbor.

Mann is widely known in Dare county where he has always been regarded as a citizen of good character. The amount he is alleged to have misappropriated is \$464.00. He was brought to Elizabeth City Tuesday by United States Deputy Marshall J. R. Williams.

Mann is forty five years old and unmarried. He was removed from the post office at Manns Harbor about two months ago.

Miss Sallie Cobb is at home for two weeks following her completion of a year's work at the State Normal at Greensboro.

Mrs. Jasper Garris and children are guests of her mother on South Road street.

Chautauqua

The Chautauqua Guarantors call attention to the fact that unless you buy your season tickets at two dollars and at one dollar for children under fourteen, you do not assist the guarantors in this Chautauqua movement. Each year these guarantors have had to make good a deficit caused by the failure of the public to buy season tickets. They earnestly urge upon you their need of your co-operation and support in this matter. The Chautauqua brings pleasure, instruction and recreation to us. Come up and buy tickets. Help your town.

The Chautauqua Guarantors

MARKET NEWS BUREAU AT WORK

E. E. Culbreth of State Department of Agriculture Now Here

Mr. E. E. Culbreth of the Division of Markets of North Carolina arrived in Elizabeth City this morning to assist and co-operate with the Local Field Office Branch of the Federal Office of Markets, which is establishing a Telegraphic Market News Service on prices, shipments, sales and general conditions in various city markets on the present crop of potatoes.

It had been announced that Mr. C. E. Haskett would be in charge of this work, but as Mr. Haskett has been affiliated recently with the Carolina Potato Exchange, it was impossible for the Federal Office of Markets to avail themselves of any services on the part of Mr. Haskett owing to his work as Agent of the Exchange.

The Federal Office delivers its bulletins, and issues its information free to every and all factors, and acts as an entirely disinterested news bureau, and their work and services are for all parties interested in this crop's movement, shippers, buyers, brokers, commission merchants, growers and truck farmers as well.

The United States Department of Agriculture, through the Office of Markets and Rural Organization is establishing in Elizabeth City a Field Branch Station, which is to work in co-operation with the State Division of Markets, for the distribution of market news throughout the potato season.

P. C. Isbell and W. B. Walker of Washington arrived June first to get this service started. Mr. W. R. Camp, Chief of the North Carolina Division of Markets was also on the ground for a few days representing the State Department of Agriculture.

Each day the information regarding market conditions in the principal cities and movement of potatoes from producing sections will be assembled by wire and distributed, form this station by telephone, telegraph, mail and bulletins.

The bulletins will be issued about 12:30 p. m. each day and are for free distribution to producers, shippers and all who are interested in the movement of this crop. These reports give quantities originating from the different competing sections, the arrivals that same day upon the principal markets, and the prices prevailing that same morning.

This work has been carried on with great success in leading produce centers of many perishable

FARMERS FORM POTATO EXCHANGE

C. E. Haskett Says Branch Organization In This County Needed

The meeting of farmers and truck growers at the Court House Monday was called to order by the Chairman of the Chamber of Commerce who introduced Mr. C. E. Haskett, Assistant in Marketing of the Division of Markets of the North Carolina Department of Agriculture.

Mr. Haskett, under whose direction last year the Carolina Potato Exchange was organized, spoke to potato growers present of the value of cooperation in the grade and pack and in the marketing of their potatoes.

The speaker expressed his willingness to be of any possible service to the Potato growers of Pasquotank county this year. He suggested that the potato growers might organize as a branch of the Carolina Potato Exchange; or if this year the proposition has been put before them too late to effect an organization, that he would be glad to serve them individually in case the grower would guarantee a good grade and pack of his potatoes. Mr. Hasket was very emphatic in stating that he could do absolutely nothing for the potato grower who would not co-operate to the extent of making this guarantee.

As this is the farmer's busiest season and as the number present was therefore too small to make any definite action possible, it was decided to present the matter of organizing the branch of the Carolina Potato Exchange in this county to the farmers of the county at their homes during the coming week. The County Agricultural Demonstration Agent, Mr. G. W. Falls will have charge of this work.

The farmers who were present showed intense interest in the movement and it is hoped, that in spite of the late beginning the proposed organization can be effected this year.

W. R. Camp, Chief of the Division of Markets of the North Carolina Department of Agriculture, who is here for a few days looking after the establishment of the Federal Market News Bureau here, last week gave this paper the following interview:

It would be well for business men as well as farmers, who are interested in the prosperity of Eastern North Carolina, to consider how our neighbors to the north, have during centers of many perishable

LET OLD BETSEY PROVE SHE'S STYLE ALL THE WHILE

Chautauqua began this summer's tour with two slogans, "The Best Yet Program," and "Every Season Ticket Sold."

That the first has been verified is abundantly evident from the many announcement which have been made in the city of the week's attractions. The guarantors are now making a strong effort to bring to pass the second. On Friday a party of Chautauqua boosters toured Perquimans County scattering enthusiasm in their wake. They found a prosperous country and friendly people and to these they extended an invitation to come to Elizabeth City's Chautauqua.

"Fannie Chautauqua" says, —she is the suffragette sister of "Mr. Chautauqua Fan"—

Sometimes plans and devices
Go up with a flash,
And earnest endeavors
Come down with a crash;
But we're bound that-Chautauqua
Shall go with a dash.

Our motto's the thing,
Let nothing abash;
With a "Pull all together"
The record we'll smash.

All Chautauquans remember with pleasure Dr. S. Parks Cadman and his splendid lecture last year. This year his subject is; "Makers of America."

Some towns sometimes say of some lecturers, even good ones: "We have had him here before; please send us some one else." All towns always say of Dr. Cadman: "We have had him here before; by all means send him again." Cadman is the greatest 'repeater' on the circuit. He has return dates everywhere. It is said that the only man who did not raise his hand last year, voting for his return, had had both arms shot off.

Cadman is one of the most irresistible forces on the platform—a torrent of thought, a torrent of words, a torrent of enthusiasm. With the rain beating on the tent, and the thunder reverberating on every side, he has been known to throw off his coat and exclaim: "I'll out-lecture this storm if it takes five hours"—and he did it, and everybody heard every word.

Cadman is extremely entertaining. His flashes of wit and humor provoke uproarious laughter; but his lecture does not aim to be amusing—it is a succession of great thoughts abounding in eloquence and inspiration.

His new lecture, "Makers of America," is the most virile and vital that he has ever prepared.

He is pastor of the great Central Congregational Church, Brooklyn, N. Y.

commodities such as strawberries, tomatoes, asparagus, onions, cantaloupes, peaches, apples and potatoes. It is hoped that this service may be continued here for the sweet potato shipping season as well.

This work has given shippers in other sections an opportunity to intelligently distribute their produce on favorable markets and to save themselves losses on overstocked markets.

In the matter of the recent Texas Onion deal, it has been estimated growers and shippers have been saved nearly a million dollars through the market news service. A single branch shipping association in the Arkansas strawberry section reports that by use of these daily bulletins, one car was so advantageously moved as to pay that station's entire cost for telegrams from a near by Branch office of Markets.

Any desirous of securing these daily marked bulletins by mail may obtain them free of cost upon application to C. E. Haskett, Market Assistant of Division of Markets, or by giving their names to Mr. G. W. Falls, County Demonstration Agent.

OFFICIAL VOTE IN PASQUOTANK

Returns From Various Precincts All Now In and Figure Definite

For Representative, Eugene Scott; for Sheriff, Charles Reid; for Police Justice, Sawyer or Lamb; for Auditor, Charles Carmine; for County Commissioners, in Elizabeth City township, N. G. Grandy and J. G. Fearing. In Newland township H. W. Bright is nominated Commissioner over Josiah Brite by a majority of 320; in Nixonton township Frank Jennings is nominated by a bare majority, polling 539 votes against 537 for the other two candidates. In Salem township a second primary will be necessary between John C. James and Thomas E. Palmer.

These are the results of Saturday's Primary for the Democratic nomination of county officers in Pasquotank. The polls closed at sunset but the counting of the votes was a tedious undertaking. In the second and first wards it was after midnight when the last vote was counted.

As has been the case for the last five years, it was Charles Reid who got more votes than any other candidate running. Reid was given 808 votes to 422 for his opponent, Scott's majority over Perry was 148, Scott's vote being 670.

Carmine defeated Thompson by a majority of 360, Thompson polling 428.

The contest for the office of Trial Justice will have to be fought out in a second primary between Lamb and Sawyer. Sawyer polled 517 votes, Lamb 357 and Spence 335.

The vote by wards and precincts is as follows:

FOR COMMISSIONER E. CITY TOWNSHIP		
	Fearing	Grandy Wilson
Newland	54	66
Providence	68	74
Mt. Hermon	21	37
Cartwright	16	26
Nixonton	11	27
