FARMERS PLAN A BIG PICNIC

Will Be Held Third Week
In July and Many Ex-
pected to Attend

The Pasquotank and Camden Far-
mers' Union in session Saturday
established and made plans for an
Annual District Farmers Picnic, to
which all farmers from the Chowan
River through the northern coun-
ties of the Albemarle to Norfolk
County and the counties on the South
side of the Albemarle are invited
and in which fete they are urged
to take part.

This picnic will be held during
the third week in July, the exact
day not having been decided upon.

The Farmers Unions believe that
they will on that day have a crowd
in Elizabeth City equal to the Good
Will Day crowd and they expect to
plan a program equally entertaining
and attractive.

The Pasquotank and Camden Far-
mers Union will also take part in
the Good Will Day Parade. At this
morning's meeting they agreed up-
on this plan and they wish to urge
every farmer in the Albemarle dis-
trict whether members of the Union
or not to join them in this parade.
They will meet at the courthouse
here on the morning of Good Will
Day in time to form their line and
enter the parade in the place as-
signed them by the committee.

Mexico City, June 23.—Salvador

United States.

Though war is considered immi-
nent the people here still hope for
a peaceful settlement of the difficul-
ties between the United States and
Mexico.

Salvador and Costa Rica are small
republics between Mexico and the
Panama Canal.
