THIS INSTITUTION WILL REMAIN CLOSED

As individuals, let us plan for continued financial progress. A strong banking connection is at all times a helpful balance.

Unite To Check Cost Of Living

(By United Press)
Washington, Nov. 29.—The Departments of Agriculture, Commerce Post Office, and many congressmen have united in the effort to check the high cost of living. This union of forces comes as the result of the great number of appeals from the public. Boycotts, disastorships, and price control are among the remedies suggested in the messages received by the President and his cabinet members.
