Mr. H. E. Brewer last week bought from Mr. T. C. Coleman a piece of land 50 feet facing Main street and 110 feet deep, on the corner of Western Avenue and Main street.

The officers of the Presbyterian church met last night to decide upon a plan for a new church. They will begin building at once a handsome brick structure to cost about \$12,000.

Mr. W. S. Mays received a telegram Tuesday that Tom Littleton, the Rocky Mount horse that is commonly known as the Herring horse, had won an important race at Baltimore in the 2:22 class going the fifth heat in 2:17 1/4.

At the regular meeting of the Pythians Monday night the following officers were elected: P. G. Griffin, C. C. W. D. Gresham, V. C. R. E. Owens, P. D. R. Capelle, M. W. R. D. Griffin, J. S. Z. Mann, I. G. J. W. Thurman, O. Q.

Last Saturday night, Policeman Carter arrested Horace Faigh, colored, on a warrant charging him with entering the home of Elijah Turner, with felonious intent, who lives on Mrs. W. R. Winstead's farm several miles from Rocky Mount. Faigh worked for Turner and he is charged with entering the home a week before his arrest. He was discovered by Mrs. Turner, who was awakened by Faigh touching her while asleep. She screamed and the person ran, but left his cap which Mr. and Mrs. Turner state belonged to Faigh. The latter when arrested came along with Policeman Carter without resistance, but when the policeman was locking him up, he broke away and escaped.

Among the handsome contributions sent Miss Pearl Jones for her bravery in shooting the negro who attempted an assault on her last Sunday morning was a handsome locket and chain by the office force of the A. C. L. Hall Road at South Rocky Mount. The locket was handsomely engraved on one side with a monogram of her initials "P. E. J." and on the other side are the words "From Office Force of A. C. L. Hall Road."

Quite a commotion was caused Saturday evening on Rail Road Street by the overturning of a buggy in which Mr. Arnold and Mr. Lewis were driving. The overturning of the buggy was due to the wheel slipping on the rail road tie as he was in the act of turning from Tarboro up Rail Road Street.

The strike of the Boiler Makers at the Rail Road Shops here which was noted in last week's issue continues without any change. All the men and apprentices still stick to their demands and not a person has gone back to work.

With today at noon there have been outcrops of rain for the second and third weeks. Mr. J. S. Chambers of Wilmington, Superintendent of Motive Power for the A. C. L., was here Tuesday, but refused to make any statement.

Miss Nina Moore, who lives at the home of her father, Mr. Sam Edwards on Rose street, was awakened from her slumbers about 3:30 or 4 o'clock Wednesday morning by someone crawling on the floor near her bed. She screamed and the mercenary fled by way of the window through which he had entered.

Miss Moore was not frightened by the crawl, not being sure whether it was a negro or a white person. As yet there is no clue to the person.

An alarm of fire was turned in Saturday morning about 8 o'clock from the 4th ward, which proved to be the new Steam Laundry which began work only a few weeks ago. The fire was just outside the building and was caused by the gas generator bursting. The generator was in a small wooden structure and this coupled with the fact that there were several gallons of gasoline in the tank made it quite a blaze. The damage was about \$40, covered by insurance. The proprietors request us to state that this will in no way retard the work of the laundry.

Mr. and Mrs. Ned Ricks, who live about four miles from Rocky Mount, upon arising early Wednesday morning, found that a young white man was lying in half of a telescope on their front porch. It was a fine healthy looking child and there was nothing to do but take care of the little stranger who was entirely too young to care whether he was welcome or not. Several days later they gave the child to Mr. and Mrs. R. B. Melton who live near Dorches. Later Mrs. Ricks decided she wanted to adopt the little fellow and went to Mrs. Melton to secure possession, but her heart had warmed to the innocent little stranger and she said nay.

Sometime ago Blount Bros. Co. bought a piece of land on Main street adjoining Savings Bank building 40x110 feet. Recently Mr. W. D. Cochran bought the same amount of land adjoining the same named lot. Now Blount Bros. Co. and Mr. Cochran are in a contest in Rocky Mount, have given a contract to D. J. Rose & Co. for the erection of a two story handsome brick structure to cover their entire land. The stores will be equipped with handsome inside fixtures and everything will be put in to make a modern building. Work will begin at once and the contract calls for their completion this year. The cost of the two stores will be in the neighborhood of \$20,000.
