

## Rexall "93" HAIR TONIC

In these days when youth is the moving factor—when man has made his mark at thirty-five and is dubbed a "has been" at forty; when business houses pension the man we used to call "middle aged," rather than allow his lagging influence to intrude upon the modern commercial rush—a bald head is a serious handicap.

In the social world it is equally bad for a man, while for a woman—it is fatal.

Few people can afford a bald head. Even those who can—those who are fixed socially, financially and matrimonially—have no wish to do so. But afford it or not, thousands of us are bald, either partially or wholly.

What caused baldness—whether an inherited tendency; whether through undue mental effort, sickness, dandruff or other scalp disease—makes no difference. What we want is HAIR.

Millions of dollars have been spent in vain efforts to grow hair on bald heads. Other millions have been spent in an effort to restore faded gray hair to its natural shade, and still others to banish dandruff. And still dandruff declined to disappear; hair refused to grow; lost tints of brown, blonde and auburn failed to return.

All this, however, is of the past. Failures have give place to success. A real hair tonic has at last been found.

REXALL "93" HAIR TONIC is a positive cure for all hair and scalp troubles. It is not sticky or gummy, will not thicken on hair, does not become rancid, has no disagreeable odor. It is clean, agreeable and pleasant to use.

### REXALL "93" HAIR TONIC

Cures all cases of dandruff, falling hair, irritation of the scalp, baldness, premature fading, scanty growth, and all those annoying affections of the scalp which scientists have found to be due to the presence of microbes. REXALL "93" HAIR TONIC restores the hair by first killing the microbes, by supplying a nutritive food element upon which the injured hairs may feed and regain health and strength by cleansing the scalp and strengthening the hair follicles. It assists nature to restore the color by making the hair healthy and enabling it to draw its own coloring matter from the pigment glands in the scalp. It is not a dye.

Remember that dandruff is proof positive that microbes are at work on the roots of your hair. Then is the time to buy a bottle of REXALL "93" HAIR TONIC and begin treatment. Don't wait until you are bald.

#### "GREATLY ADDS TO BEAUTY."

"I can most highly recommend Rexall '93' Hair Tonic as the best of preparations for the preservation of the hair and the promotion of its healthy growth. It not only preserves the hair and stops it from falling, but it gives it a gloss and sweetness which greatly adds to its beauty. Every woman should use Rexall '93' Hair Tonic as a dressing to the hair if she desires to keep her hair in the best condition."  
—Mrs. J. C. HALL, Palmyra, N. Y.

### THE STORY OF REXALL "93" HAIR TONIC.

Before placing REXALL "93" HAIR TONIC on the market we realized that we had a formula of exceptional value, and yet we determined to give it a thorough trial before we offered it as a Rexall preparation. We therefore wrote to one hundred druggists in as many cities, asking the name of one customer who suffered from a disease of the hair and scalp. To each of these customers we sent three bottles of the hair tonic and asked them to try it and report upon it.

THE RESULT: Five reported no answer, two reported adversely and

NINETY-THREE sent enthusiastic reports of the remedy and gave details of the splendid effect in each individual case.

We therefore selected "NINETY-THREE" HAIR TONIC as the name of this preparation, which we believe to be the best. Could any other name be so significant of merit? Any test have been more fair? Any results more encouraging?

In buying REXALL "93" HAIR TONIC you take no chances whatever. If after a trial you are not more than satisfied we will promptly and cheerfully refund your money.

**Exchanging Amenities.**  
A blatant sample of the loud voiced, self conscious, look-at-me variety of man took his seat in a bus and called to the conductor:  
"Does this bus go all the way?"  
"Yes, sir," responded the conductor politely.  
"Does it go as far as Oxford street? I want to get out there."  
"Yes, sir," was the reply.  
"Well, I want you to tell me when we get there. You'd better stick a stamp on your nose or put a straw in your mouth or tie a knot in one of your lips, so that you won't forget it."  
"It would not be convenient for one in my position to do so," said the conductor courteously, "but if you will kindly pin your ears round your neck I think I shall remember to tell you."  
—London Scraps.

**The Sins of Hatters.**  
If any tradesman has a lot to answer for it is surely the hatter. He will most unflinchingly tell you that a certain type of hat is suited to your particular style of beauty, knowing that the information is false, and all the while you have a dull suspicion that you don't look well in it. Yet you are obliged to believe him. His persuasive powers are so cultivated that I firmly believe he would make a dwarf think himself "a fine figure of a man."  
—Fry's Magazine.

**May Do It Now.**  
"In the olden times it is said that it was possible for a man to render himself invisible."  
"Pshaw! That's not at all remarkable. Men in this country are doing it every day."  
"You don't say so! How do they manage it?"  
"By marrying famous women!"

**How It Was Becoming.**  
"That dress is becoming, my dear," said the man who thinks he is a diplomat.  
She looked at him coldly for a moment, and then replied:  
"Yes. It is becoming threadbare."

**Brutally Frank.**  
Scribbles—When I take a dislike to a man I use him as the villainous character in one of my novels. Criticus—Ah, I see! You punish the poor fellow by burying him alive, as it were.

**Why They Fly.**  
Bobby—Mamma, do the streets of heaven flow with milk and honey? Mamma—So the Bible says, dear. Bobby—And is that why the angels have wings, 'cause the walkin's so bad?

The trouble with most cough remedies is that they constipate. Kennedy's Laxative Cough Syrup acts gently but promptly on the bowels and at the same time it stops the cough by soothing the throat and lung irritation. Children like it. Sold by May and Gorham.

**This is Worth Reading.**  
Leo F. Zelinski, of 68 Gibson St., Buffalo, N. Y., says: "I cured the most annoying cold sore I ever had, with Bucklen's Arnica Salve. I applied this salve once a day for two days, when every trace of the sore was gone." Heals all sores. Sold under guarantee at May & Gorham's drug store. 25c.

The Atlantic Coast Line has signified its intention, through a letter from President T. M. Emerson to Gov. Glenn, to give the 2-1-2 cent passenger rate a fair trial for 12 months.

**Medicine That is Medicine.**  
"I have suffered a good deal with malaria and stomach complaints, but I have now found a remedy that keeps me well, and that remedy is Electric Bitters: a medicine that is medicine for stomach and liver troubles, and for run down conditions," says W. C. Kiestler of Halliday, Ark. Electric Bitters purify and enrich the blood, tone up the nerves and impart vigor and energy to the weak. Your money will be refunded if it fails to help you. 50c at May & Gorham's drug store.
