**RESOLUTIONS.**

Centennial Lodge, No. 96, I. O. O. F.

Whereas, the hand of affliction has been laid heavily upon our brother, C. L. Perry and his estimable wife in the death of their little daughter Lillie May, and by this sore bereavement a shadow has fallen upon their home and they mourn for the treasure that has been taken from them, therefore be it

Resolved, That we extend to them our sincerest sympathy and condole with them in the dispensation with which it has pleased Divine Providence to afflict them, and point them for consolation to Him who said: "Suffer little children to come unto me and forbid them not, for of such is the kingdom of Heaven."

2nd, That a copy of these resolutions be sent to the bereaved family, a copy sent to the Elm City ELEVATOR for publication, and a copy be spread on the minutes of our Lodge.

Respectfully submitted by  
 E. O. MCGOWAN,  
 T. B. WINSTEAD,

**A REMARKABLE OFFER.**

The attention of our readers is directed to the announcement in this issue of special clubbing rates of YOUNG PEOPLE'S WEEKLY, the best paper of its class published in America. Our arrangements are exclusive and on terms that enable us to offer that paper and the ELEVATOR for the price of a single subscription to this paper alone. Our readers will surely appreciate this very liberal offer, and we invite them to make it known to such of their friends as are not already subscribers. Two papers for the price of one is an inducement seldom offered, especially when either is well worth the price asked for both. All subscriptions, accompanied by the cash should be sent to this office.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by Jno. L. Bailey & Co.

In your blood? Physicians call it Malarial Germ. It can be seen changing red blood yellow under microscope. It works day and night. First, it turns your complexion yellow. Chilly, aching sensations creep down your backbone. You feel weak and worthless.

**ROBERTS' CHILL TONIC** will stop the trouble now. It enters the blood at once and drives out the yellow poison. If neglected and when Chills, Fevers, Night-Sweats and a general break-down come later on, Roberts' Tonic will cure you then—but why wait? Prevent future sickness. The manufacturers know all about this yellow poison and have perfected Roberts' Tonic to drive it out, nourish your system, restore appetite, purify the blood, prevent and cure Chills, Fevers and Malaria. It has cured thousands—it will cure you, or your money back. This is fair. Try it. Price 25 cents. For sale by
