**The Best Remedy for Croup.**  
 From Atchison, Kan., Daily Globe.)  
 This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world, is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup as a revolver is sure to be lost in case of burglars. There used to be an old fashioned remedy for croup, known as hive syrup and tolu, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by Jno. L. Bailey & Co.
