Overland

\$795
Model 85-4 f. o. b. Toledo

These Tremendous Advantages—

More power—35 horsepower motor.
More room—112-inch wheelbase.
Greater comfort—long, 48-inch cantilever rear springs and 4-inch tires.
Greater convenience—electrical control buttons on steering column.
Bigger, safer brakes—service, 13 3/8 x 2 1/4; emergency, 13 x 2 1/4.
Better cooling—you never heard of an Overland motor overheating.

These are tremendous advantages over anything to be had in other cars that sell for anywhere near as low a price. And they make it hard for us to keep up with orders. The factory has never yet caught up with the demand. You ought to own one of these cars—nothing else so big and fine for the money. Come in and order yours now.

DELCO-LIGHT

ELECTRICITY FOR EVERY FARM

DELCO-LIGHT furnishes electricity for lighting the house and barn—
It also furnishes power to operate small machinery.
It pumps the water.
It does the washing.
It operates the cream separator.
It churns the butter.
It drives the sewing machine and the vacuum cleaner.
It brings city conveniences to the farm and takes much of the drudgery out of farm life.
It has a capacity of 40 to 50 lights, and is so simple a child can operate it.

Price of Delco-Light, complete with batteries ready to run \$275
F. O. B. Dayton, Ohio

A thousand Delco Light representatives and service men are in the field—there is one in your locality.
