U. BOAT MENACE IS CHIEF ISSUE

OTHER OFENSES BY GERMANY THOUGH VIOLATIONS OF IN-TERNATIONAL LAW MAY BE ATONED FOR

By ROBERT J. BENDER

(United Press Staff Correspondent) | can railroads. Washington, Feb. 20-Despite the obvious seriousness of the Yarrowdale case and similar cases of reported temporary delays of Americans in Germany, it is stated here on highest authority that the administration considers these as comparatively colleteral issues.

President is directing almost his sole attention toward the progress of results in Gersubmarine many's

Although the State Department considers these collateral flagrant violations of international law, the President, it is declared. does not anticipate any real trouble with Germany over them and believes that matters will soon be के का का क

However, the President's advisors, admit danger in the recurrence and the ultimate clearing ments tend to let people fall into hte way of thinking whatever hap pens, "Oh well, this is just another international incident which will
