(By Jo. S. Vowles) "I thought this wan a free co ry," exclaimed one who is inimical to the Draft Law, "The Law is unconstitutional," cries another who Y. M. C. A. WILL SPONSOR RECEP. never read a volume on the elemen TION TO PASQUOTANK'S FIRST tary principles of law nor a paragraph QUOTA IN THE NEW NATIONAL on the interpretation of laws while great minds like those of John Marshall, Roger B. Tanney, Salmon P. A special committee of the Y. M. C. Chase and our present Chief Justice White spent days and weeks in the that was in question.

No country is or can be free in which every citizen does not yield up to a government some of his national be worked out and completed within rights for the good of the whole. When the next few days when it will be giv- every person retains all of his natural rights gives up nothing, anarchy\_no government- reigns, and no man's

"I thought this was a free counthe men who are to represent this dis- try." The speaker never thought trict in The Great War a proper and what freedom is nor what it cost the fitting send off by the citizens of fathers to gain it. Everything of value large, and the Y. M. C. A. a chance to cost something It was the courage and introduce the men to the work that valor of our fathers that made us the Association is doing for the men free. They did not hesitate to meet at the battle front and in the various their foemen breast to breast. Our Military Camps of this country. The ancestors struggled in old England a General Secretary will give each sol- thousand years for the principles of dier an introduction card to the Sec-liberty we enjoy. When despotism retary of the Association in the camp prevailed in every country on the to which he is going. The general pub- continent, they were broadening the lic, ladies and gentlemen, will be cor- principles of liberty. The origin of dially invited to be present. The la-trial by jury is lost in the mists of dies Auxiliary will serve light refresh the past. The barons of England forcments and a specially appointed re- ed King John in 1215 at Runny ception committee will be on hand to Mede at the point of the sword to sign brought to these shores together with Lens. the Writ of Habeas Corpus and the Common Law of England, still unamended by Statute Law—the law of sought to tax the Colonies on imports, the Colonists felt that he was taking away some of their ancient rights in taxing them without the consent of

Earl of Chatham, Fox and Burke, defended them. The King was not able to raise an army of twenty-five thousand Englishmen to make war on them and was compelled to hire Hessians. There were always mercenaries in Germany, Yr. Lincoln had three quarters of a million of Germans bbrought over from the Vaterland for the conquest of the South.

"A great price paid I for this freedom," cried the Roman judge. "But I was born, free," answered Paul. Freedom has been bought always at a great price, always at the cost of cour age and valor. "Eternal vigilance is the price of liberty,' was oft repeated in the country until the present genof vigilance lose it. Rome was free. To be a Roman was "as great as to be a King." Then no Roman was allowcultivate with a spade. They ceased wider the export license act. to be vigilant. Greed and, cupidity triumphed and the land was seized by a few large slave owners. The Gracchi's struggles for the people were in vain. The great mass of the people were poor. Patriotism died. Roman armies were filled with harbarians. Rome was enslaved. The Roman armies fell.

We sing "Fing of the free, heart's home and home," "Land of the foreand home of the brave." Do we since menuinglessly on in a pairfath spirit Intending in he breve when war consoci This is a time called. On representative to the Corp Repulsing SHOT IN THE PARTY OF THE PARTY OF THE PARTY OF THE PARTY. emendo no facer il files.

Had the pair that those who smallt ome are a them would be too settled. and cowardly to defend their country when war should be made on it they would have regretted that they had; made the country free Had we basely submitted to multiplied insults and injuries from the Germans and waited until America was invaded by them-the most cruel and barbarous nation that ever started forth for the conquest of the world, our freedom would have been lost. We have never engaged in a war that was so necessary and unavoidable as the present
