## PARADE PLANS NEARLY COMPLETE LINE OF FORMATION EXTENSIVE

### All Who Take Part Urged To Clip Order of Formation And Follow Instructions Carefully

Next Monday is being looked forward to by this entire community because on that day the Victory Parade will be held and it promises to be the best arranged, most elaborate affair ever shown here. Every day finds more people signifying their willingness to enter and those who do win the prizes will have the satisfaction of knowing that they won over a large field of contestants. The voluntary closing of the merchants at four o'clock Monday is meeting with the general approval of the public, which is always appreciative of patriotic moves on the part of our townspeople.

The Parade Committee wishes that all of those who enter this parade will please clip the line of formation which appears below and accordingly take their proper position on Pennsylvania Avenue not later than 3:30 p. m. Monday. The formation is as follows:  
The band will fall in directly in front of Heath's store, followed by the Chairmen of the Liberty Loan Committees, Mayor and City Officials, and then County Officials. The Boy Scouts will form in front of the residence of Mrs. I. N. Loftin, and behind them will be the Victory Emblem floats, convalescing Heroes, Naval Divisions and floats. The Army division will form in front of the residence of J. B. Jenkins, followed by the Red Cross, then the Coast Guard, Fraternal Organizations, Decorated Cars and the Fire Department.

## HIGHS LOSE TO HERTFORD

The baseball team representing the Elizabeth City High School journeyed to Hertford yesterday expecting to play the High School team of that place, but found a team opposing them composed of the best Hertford has to offer.

However, under the leadership of Captain Stowe the Elizabeth City High gave Hertford all they were looking for. Had dame fortune bestowed her favors equally the home team would have returned victorious. As it was the game went ten innings before Hertford got the decision by a score of 14 to 11.

Stowe had decidedly the best end of the pitching battle allowing a few hits and striking out thirteen of the Hertford batters.

McMullen pitched a good game for Hertford but most of the Elizabeth City team found him for a hit. It was the battling of Fleetwood, a student at Wake Forest, that won the game finally for Hertford.

The same two teams play in Elizabeth City, probably next Friday, and the Highs are confident of victory in the second game.

## A PROCLAMATION

Honor is finer than honesty, as sentiment is higher than thought. There is scant virtue in merely keeping the law.

"The fear o' hell's a hangman's whip,  
To haud the wretch in order;  
But where you feel your honor grip,  
Let that aye be your border."

In the call to buy Victory Bonds honor grips hard. To achieve the victory we pledged our lives, our property, and our sacred honor. The pledge of life has been fully redeemed. The blood cost of victory was paid with solemn pride. To fail or falter in meeting the money cost would immediately brand us with infamy and ultimately mark us for destruction. Our sacred honor drives us to offer our property as freely as our soldiers offered their lives. They "fought a good fight." We must "keep the faith" or wither in fires of self-contempt.

The Imperial German Government asserted that a solemn obligation was but a scrap of paper, and that government has been consigned to the scrap-heap of civilization. "God is not mocked," and this nation will surely become as Nineveh and Tyre if we keep back the price of our redemption. No nation can survive that advertises to the world that it holds money dearer than manhood, that while it was willing to sacrifice the only son it cannot spare the firstlings of the flocks.

I beseech all ministers of the Gospel and all men and women of every class and condition who have faith in the final perseverance of moral values to enlist in the great Victory Campaign to the end that our national honor may be redeemed and our destiny secured.

Done at our City of Raleigh, this the 3d day of April, in the year of our Lord one thousand nine hundred and nineteen, and in the one hundred and forty-third year of our American Independence.

By the Governor:  
SANTFORD MARTIN, T. W. BICKETT,  
Private Secretary. Governor.
