EXPLOSION KILLS NEARLY HUNDRED

Car of Powder Attached To Mine Train Goes Off in Tunnel at Wilkesbarre

(By Associated Press)
Wilkesbarre, June 5.—Seventy-eight men lost their lives and thirty-one were injured according to the list given out by officials of the mine at no on. Forty-one bodies have been identified.

The injured list is not complete and it is believed that it will reach forty.

Wilkesbarre, June 5.—Between seventy-five and a hundred workers were killed and others were injured in the tunnel of a mine here today.

A car of powder attached to the train of mine cars on which the men were riding to the chambers in the mine exploded. An electric motor drew the cars. The trolley wire broke, and sparks ignited the powder. Men were blown everywhere, but most of the deaths were caused by fire and suffocation.

Identification of the bodies is almost impossible. Many are charred beyond recognition by the fire which followed the explosion. The limbs of some and the heads of others are missing.

The train carried a hundred men. Those not killed outright have died since or are so badly injured that death is only a question of time.

SMALL POWERS WIN VICTORY

Council of Four Eliminates Provisions For Limitation of Armaments of New States

(By Associated Press)
Paris, June 5.—The small powers won the victory in their opposition to the limitation of armaments of new states created from the former Austro-Hungarian empire, and the Council of Four has decided to eliminate provisions for such limitation.

The Council today further considered the German counter proposals in the forenoon. The afternoon was devoted to considering the rights of minorities in small nations.

ALLIED REPLY LIKELY DELAYED

(By Associated Press)
Paris, June 5.—It is doubtful if the Council of Four will be able to send a reply to the German counter proposals to the peace treaty's terms before the end of next week.

PADEREWSKI PROTESTS

Premier Paderewski of Poland has protested to the Peace Conference against any change in the terms of the settlement of the Silesian question.

FUNERAL MRS. SUSAN JONES

W. L. COHOON SPEAKS TO HOUSEWIVES LEAGUE

W. L. Cohoon, the new city attorney, addressed the Housewives League Wednesday afternoon on the subject of sanitary inspection. The new board of aldermen plan to have this work done thoroughly and wisely and the matter of securing the best person for the job of sanitary inspector is now being seriously considered. There is a good deal of sentiment in favor of giving the job to a woman. The idea is that a good housekeeper at home will make a good community housekeeper.

A letter was read from the new board expressing the desire to cooperate with the League for a clean, healthful city.

Mrs. E. R. Outlaw made an interesting report as chairman of the inspection committee. Five stores in Elizabeth City are shortly to be given the Housewives League card which stands for first class sanitary condition. These names will then be published, so that housekeepers and the public generally may know that at these stores food that is unquestionably clean may be bought.

Mrs. Stanworth of Norfolk, president of the Housewives League of that city, was elected an honorary member of the Elizabeth City league, the organization here feeling that it owes much to Mrs. Stanworth for her visit and talk to the ladies this spring which really brought about the organization of the Elizabeth City League.

Mrs. J. W. Modlin was appointed to cooperate with the Norfolk League and ask that Norfolk bakers wrap their bread.

POTATO BARRELS MUST BE MARKED

Potato growers and dealers are warned that under the regulations of the Food and Drugs Act all closed containers of food or food products must be clearly marked with the contents of the package. This statement may be made in terms of net weight, volume, or numerical count. The most practical system for potato shippers is that of marking the contents in terms of volume as all barrels now used in this section have a capacity of the United States Standard barrel. The fact that these barrels are standard, however, does not remove the necessity of marking them in this manner. Barrels not marked with regard to capacity, or barrels of slack pack, are clearly violations of the Food and Drugs Act.

The following form for marking with a rubber stamp on the side of the barrels will be used by numerous growers this year:

CONTENTS
ONE U. S. STANDARD BARREL
IRISH POTATOES

Inquiries with regard to grading rules and regulations effective under the new State Grading Law may be mailed to Supervising Inspector, State Products Inspection, Post Office Building, Elizabeth City, N. C.

CANT IDENTIFY ROSA LUXEMBURG

(By Associated Press)
Berlin, June 5.—The autopsy on the body of the woman found in the canal June first failed to establish it to be that of Rosa Luxemburg who was killed early in the year by a mob.

The condition of the body precluded definite identification. There were no traces of wounds or bruises, however.

FREE VACCINATION AGAINST TYPHOID

Dispensaries Open Next Week, With General Response By The People, Campaign Will Cost the County Nothing

Pasquotank is one of the thirty counties that have arranged with the State Board of Health for the free vaccination during the coming summer of its citizens against typhoid fever. Under the arrangement, the county has agreed to pay the State Board of Health 12 1-2 cents for each person completely vaccinated.

The State Board of Health will hold four vaccination dispensaries, one every week, at each point, throughout the county. By holding the four dispensaries at each point, two opportunities are afforded every citizen for complete vaccination; that is to say, if a person is prevented from attending a dispensary on the opening day, he will have three days left for being vaccinated, complete vaccination requiring three successive hypodermic injections. The places, hours, and dates of the dispensaries are as follows:

- Fork School House, 9 to 10 a. m., Thursday, June 12, 19, 26, July 3.
- Berea Church, 1 to 3 p. m., Thursday, June 12, 19, 26, July 3.
- Joe Davis' Store, 4 to 5 p. m., Thursday, June 12, 19, 26, July 3.
- Whitehead's Store, 9 to 10 a. m., Thursday, June 12, 19, 26, July 3.
- Newland Church, 10 to 11 p. m., Friday, June 13, 20, 27, July 4.
- W. A. Foster's Store, 3 to 4 p. m., Friday, June 13, 20, 27, July 4.
- Ellis City court house, 9 to 12 noon Saturday, June 14, 21, 28, July 5.
- Ellis City, Anderson's store, 3 to 5 p. m., Saturday, June 14, 21, 28, July 5.
- Eyworth Church, 9 to 10 a. m., Monday, June 16, 23, 30, July 7.
- Simon's Store, 12 to 1 p. m., Monday, June 16, 23, 30, July 7.
- Simon's Creek, 3 to 4 p. m., Monday, June 16, 23, 30, July 7.
- Nixonton, Cartwright's Store, 9 to 10 a. m., Tuesday, June 17, 24, July 1, 8.

- Weeksville 12 to 2 p. m., Tuesday, June 17, 24, July 1, 8.
- Joe Markham's store, 4 to 5 p. m., Tuesday, June 17, 24, July 1, 8.
- Corinth school house, 9 to 10 a. m., Wednesday, June 18, 25, July 2, 9.
- Mt. Hermon school house, 12 to 1 p. m., Wednesday, June 18, 25, July 2, 9.
- Oklako, 3 to 4 p. m., Wednesday, June 18, 25, July 2, 9.

There are three important reasons why every citizen should take advantage of this opportunity to be vaccinated against typhoid fever: (1) The most important reason is that vaccination protects against one of the most prevalent, most costly, most fatal or acute diseases—typhoid fever. (2) Another good reason is that if every citizen will take advantage of this opportunity, a larger percentage of the population of this county will be vaccinated than that of any other county, and in such an event the State Board of Health agrees to assume the entire expense of the county campaign. Let everybody realize their responsibility to themselves and to their county, and we shall win this prize. (3) Another reason why the good citizens should endorse this campaign by being vaccinated is that if the State Board of Health finds that the people really appreciate this piece of work, it will extend the plan to all parts of the State, serving thirty counties next summer and thirty the following summer, returning to the thirty counties that form the first group, including this one, every third year.

The citizen, then, by endorsing this piece of work is not only doing something for himself and for his county, but for his State—he is perhaps saving his own life and encouraging a work that will result in the saving of hundreds and thousands of lives in North Carolina.

IRISH CENSORSHIP STILL CONTINUES

Dublin, May 4. (Correspondence of The Associated Press.)—The Irish censorship has not been entirely discontinued as has that of England. Major Bryan Cooper, formerly Unionist member of Parliament for South Dublin, has been appointed press censor for Ireland succeeding Lord Decies who has resigned.

The Irish censorship, however, is declared to be voluntary and no paper is required to submit copy to the censor. But as the penalties for objectionable publications will still remain, and may involve seizure of plant and machinery, it is expected that the newspapers will make themselves safe by taking the censor's opinion on all doubtful matter. The government declares that "in the interests of the peace of the country it is impossible for the government to permit any section of the press to be used as an instrument of incitement to organized or other defiance of the law or for the purpose of inflaming public opinion to a pitch in which acts of lawlessness become possible." But the government adds that "there is no intention to interfere with legitimate political discussion or propaganda." It is probable that while the general body of the Irish press will continue their relation with the censor very much as before, the Sinn Fein papers may take all risks.

The Nationalist press complains that the censor's practice of curtailing the speeches of Sinn Fein leaders had the effect of depriving the Irish public of any real basis for judging Sinn Fein policy which they believe would have proved less attractive than it did to the Irish electors if they had known the extreme terms in which it was sometimes put forward.

GENERAL ANSELL SPOKE AT TWO

Many Disappointed At Not Being Able To Hear Him Tonight. Called Back to Washington.

General Samuel T. Ansell, who was to have delivered an address here tonight, was called to Washington and had to leave at three o'clock this afternoon. Arrangements were hurriedly made to have him speak at two o'clock this afternoon and those who got word of the change of hour and could do so gathered at the high school at that time to hear him. The others are disappointed, but orders from Washington are orders and it could not be helped.

WEEKSVILLE FOR HIGH SCHOOL

The high school election Thursday at Weeksville resulted in victory for a high school there. At two o'clock only one vote had been cast against it and everybody in the section was rejoicing over the victory.

SCOUTS MEET THURSDAY

The Boy Scouts of Troop Three will have a special meeting at eight o'clock Thursday evening of this week in order to make arrangements for their part in Boy Scout Week, June 8 to 13.

Plans for reorganizing the troop will be considered, for all "dead" timber must be weeded out.

Hikes will again become a weekly affair, but those not attending meetings regularly will be barred from participating in hikes.

Now that school work is over, a renewed interest in Scout work is looked for and at the meeting this week every active scout is expected to be present.
