DRYS CARRY WAR INTO ENGLAND

London, Aug. 1. (Correspondence of The Associated Press.)—"Pussy-footing" is the term the newspapers and British liquor interests have given the campaign to make England dry, and "pussyfoot" is the title they have given those members of Parliament and American Anti-Saloon League workers who are pressing the movement.
It has been announced that there is abundant money behind the movement, and the nucleus of a parliamentary prohibition party has been formed by nine members of the House of Commons to first fight for the retention of war time liquor regulations while forming their lines for more drastic action.
Harrogate, a health resort with some 80 mineral springs, was selected as the first object of attack, and a number of speakers were sent there to spread the "dry" doctrine. It was also decided to pay particular attention to Scotland where, under new regulations, local option is possible. Other plans, it was announced, are in the making, and within a year the campaign will be in full swing.
Most of the newspapers have done nothing but ridicule the movement, and urge that owing to the climate British men and women needed stimulants and would never voluntarily relinquish their alcohol.
Lady Henry Somerset, late president of the British Woman's Temperance Association, is quoted as expressing the opinion that the prohibition campaign will do positive mischief by making prohibition appear to be the sole alternative to a return to the pre-war position.
The liquor interests say they have not given the question much attention, preferring to believe that the prohibition experiment in the United States will fail and therefore there will be no need for action in England.

CUBS WINNERS IN FINAL SERIES

Take Last Game by Close Score of Five to Four. Grays Made Game Fight

In the seventh and final game of the series the Elizabeth City Cubs defeated the Grays Saturday afternoon by the score of five to four.

At the end of the sixth the score stood five to two in favor of the Cubs but in the seventh the Grays batted Boyce, the Cub pitcher, out of the box, and came within an ace of tying the score. Davis who succeeded Boyce, with two men down and two strikes on the batter, threw a high one over the plate and Caddy, the Cub catcher, without waiting for the umpire's decision, threw to third. Caddy's throw went wild and a Gray runner was on the way to the home plate with the run that would have tied the score, when the umpire called the high one a strike and ended the game.
The score by innings follows:
Grays: 0 1 0 0 1 0 2—4
Cubs: 0 2 0 0 3 0—5
Batteries: Reid and Henderson, for the Grays; Boyce, Davis and Caddy for the Cubs.

This game ends the series and the season, the Cubs winning four games to three for the Grays. In the first half of the series the Grays had the edge on the Cubs and the latter team won out only by taking the last two games straight.

THIEF GETS WATCH AND THIRTY DOLLARS

When Rev. C. M. Cartwright, pastor of the First Baptist Church, colored, of this city returned home Monday morning he found that a thief had entered his home twice during his absence.
