CHOWAN COLLEGE MAY BE MOVED TO SOME MORE ACCESSIBLE SITE

Historic Baptist Institution of Learning May Be Brought to Elizabeth City or Some Point in Eastern North Carolina If Chowan Baptists Will Agree To it

Chowan College, property of eastern North Carolina Baptists, may be moved from Murfreesboro to some more accessible site within the next twelve months.

This matter was seriously considered by the trustees of the institution at their meeting held this week. Sentiment among the trustees seemed very favorable toward the proposition, but the Board of Trustees would not, of course, move the college from its historic site without putting the question before the Baptists of the eastern part of North Carolina. The trustees, therefore, decided that they would put the matter before the West Chowan Baptist Association at its next session, and the East Chowan Baptist Association will be invited to send delegates to that meeting.

The West Chowan Baptist Association meets next month.

Meantime the Board of Trustees have appointed a Committee to receive offers from communities desiring to offer a site to this Baptist college. Towns already mentioned are Elizabeth City, Edenton and Ahoskie. It was reported at the meeting of the Board that Ahoskie would offer the institution a site and additional cash sufficient to total fifty thousand dollars.

The same committee will also look into the matter of disposing of the property at the present site of the college. Members of the Board of Trustees and of the committee believe that there will be no difficulty as to this part of the program as definite prospects for its disposal are already in sight.

The foregoing news was brought to Elizabeth City by members of the Board of Trustees from this section who attended the meeting of the Board this week. They are E. F. Aydtlett and C. J. Ward of Elizabeth City and D. E. Williams of South Mills. Mr. Aydtlett is a member of the committee to look into the availability of a new site.

The opening of this question is assurance that the next session of the West Chowan Baptist Association will be a lively one.

MOOSE BANQUET GREAT SUCCESS

One of Most Enjoyable Occasions of Its Kind Ever Pulled Off in Elizabeth City

The Moose banquet in the Masonic Hall Friday night was one of the biggest occasions of its sort ever held in Elizabeth City.

The menu was one that has never been surpassed by any spread served by the Eastern Star.

The crowd was a big one, over a hundred Moose being seated at the long tables forming a great "M." And the crowd was as jolly and good natured as it was big. The Moose were in just the frame of mind to enjoy the feast of good things spread before them.

The speeches were of a high order. Hon. William Trickett Giles, heard by a very small audience in the court house soon after the Moose membership campaign was inaugurated here, had the inspiration of an attentive and interested audience Friday night and rose to the occasion magnificently.

Congressman Small was one of the speakers. "Always a smooth and pleasing speaker he seemed on this occasion happy in choice of theme and of words.

Not a speaker on the program won more hearty applause than did Dr. T. S. McMullan.

Mayor Gaither was the first speaker and he spoke with his usual earnestness setting forth something of the program of the present city administration. Speaking as mayor he said that he hoped that the Loyal Order of Moose could be relied upon to aid in carrying out that program and that to him P. A. P. stood for Please Aid Progress.

Toastmaster Simpson presided in most happy manner and Prelate E. F. Sawyer pronounced the invocation at the beginning of the feast.

Music was provided by Smith's Colored Orchestra. Between numbers the members sang led by Secretary Case of the Chamber of Commerce. Secretary Case was on the program for a speech but refrained owing to the lateness of the hour.
