

"MY SON,
deal with men
who advertise,
you will never
lose by it."
—Benjamin Franklin.

The Daily Advance

THE WEATHER
Partly cloudy tonight and Tuesday. Probably rain in west portion. Continued cool tonight rising temperature in north portion Tuesday. Fresh northeast and east winds.

HERTFORD CO. SEEKS DAMAGES

Ohio Company Refused Shipment of Soy Bean Meal in August of Last Year.

Cincinnati, October, 13th—Damages in the sum of \$4,200 with interest are asked in the suit entered and filed here today against the United States Chemical Company of Greenville, Ohio, for an alleged breach of contract with the Eastern Cotton Oil Company of Hertsford, North Carolina. The contract was for 400 tons of soy bean meal which the Eastern Oil Company was to supply in August of last year at the agreed price of \$82.50 a ton. It is alleged that the market slumped about the time the meal was to be shipped and the United States Chemical Company of Greenville, Ohio, refused to receive any of the goods shipped. The Eastern Oil Company alleges that it had to sell the supply in open market at the prevailing price of \$72. a ton. Judgment is asked for the full amount of the loss with interest.

OPPORTUNITIES FOR HOME TOWN

Some Town Will Seize Them, Without Doubt. Important Meeting Tuesday Night.

The Aladdin Company will establish a branch factory somewhere in Eastern North Carolina. Elizabeth City can get it by going after it. There is a chance to get a college. Some town is going to get it. The Federal engineers have turned down the preliminary survey of the Pasquotank. The matter can be appealed, however, if steps are taken promptly and properly. These suggestions give an idea of the importance of the Chamber of Commerce meeting Tuesday night, and Secretary L. D. Case urges that all live members and hustling citizens be on hand at this meeting.

AROUND THE WORLD WITH THE AMERICAN RED CROSS. In Serbia.

As far back as the first winter of the war, the Red Cross sent to Serbia a sanitary commission that effectively checked the scourge of typhus, but after the United States entered the conflict, the Red Cross was able, in August, 1917, to send a full commission that carried on extensive relief operations among the suffering refugees of the tortured nation. Hospitals were established, the refugees fed, clothed and given medical attention, the army supplied with much needed dental treatment, farm machinery, and seeds provided to help the Serbs redeem their land to productivity, and, not least, measures undertaken for the succor of the children. The terrible condition into which these helpless victims of the war had fallen is well portrayed by this photograph of a little Serbian girl wearing the rags and expression of hopeless dismay that were all she possessed when the Red Cross came.

EGG PROFITEERING WORRIES FOOD MINISTRY

London, Sept. 15—(Correspondence of the Associated Press)—Profiteering in eggs is attracting the attention of the Food Ministry because of complaints which are reaching it from all parts of the country. In some London districts the retail price is \$1.35 a dozen, and the cheapest is \$1.00. If this condition continues, it is announced, the ministry will step in to protect the consumer.

TRUCKS SOLD TO GERMANS

With the American Forces in Germany, Sept. 15—(Correspondence of the Associated Press.)—Twelve hundred motor trucks abandoned by the German army in the area taken over by the Americans as part of the armistice material were sold recently to a syndicate of German automobile dealers. This deal virtually completes the work of the Coblenz branch of the United States Liquidation Commission which has been under the direction of Junius G. Adams, of Asheville, N. C., special commissioner of the American Army of Occupation. Continuation of the disposal of surplus army material in occupied Germany will hereafter be under direction of a general sales board of the American forces in Germany of which Lt. Col. T. H. Kruttschnitt has been appointed as chief. The army board will be under the supervision of the liquidation commission with headquarters in Paris until the final stocks are sold.

The sale of surplus property of the American army at the Antwerp base which also has been completed brought to the government. Most of the goods disposed of to the Belgian government, bringing a better price than could have been obtained in the United States. By the sale of a part of surplus stocks of the American forces in Germany, much of which was sold to German civilians, the sum of 11,000,000 was realized. Among the material sold recently to German dealers was two million pounds of candy of a kind not particularly in demand among American soldiers.

JURORS FOR NOVEMBER COURT

Following are the jurors for the November term of court. John Cartwright, H. M. Pritchard, W. L. Pritchard, H. C. Garrett, W. L. Cartwright, (Salem) W. H. Balance, Thomas A. Corbett, C. W. Hollowell, B. O. Morris, A. F. Miller, Cader Temple, C. C. Luton, J. J. Brothers, E. J. Spence, G. E. Harris, W. N. Price, Lemuel Cartwright, W. G. Overman, Elmo Stokely, C. E. Kramer, Rufus Hewett, W. E. Griffin, J. J. Watson, Joseph Morse.

COURT HOUSE MEETING CONTINUES

Rev. Robert Askew, known as "Tar Heel Bob," who has been conducting a revival at the courthouse for the past week, was heard Sunday night by a packed house, and will continue his meeting thru next Saturday night, preaching each night at 7:45. Mrs. Askew sings at each service, and tonight, Mr. Hicks, former evangelist baritone singer with Sam Jones, will sing a duet with Mrs. Askew. The meeting has attracted extraordinary attention here because of the fact that this is Mr. Askew's boyhood home, and because of Mrs. Askew's voice, which once in grand opera is now dedicated to evangelistic work.

W. T. Cobb, assistant manager of the Hotel Raleigh, at Raleigh spent Sunday with Mr. and Mrs. M. L. Sanderlin.

AWARD PRIZES CAMDEN FAIR

Pumpkins, Percherons and Pretty Girls Carry Off Honors of the Day.

The Camden County Fair held at Camden courthouse last Friday was a success from every standpoint. The offices on the first floor of the courthouse were given over to exhibits, which included farm products, needlework, pantry supplies, and fancy work; while on the grounds were the poultry exhibits, and in the stables at the back of the grounds the livestock exhibits.

COOKE'S BIG PUMPKIN

Among the farm products exhibits was a pumpkin weighing 84 pounds grown by Mr. J. E. Cooke of Belcross. Mr. Cooke also had on exhibit a barrel of Nancy Hall potatoes which were nearly as big as a child's head. Mr. J. E. Cooke also won the prize for the best stalk of cotton and another prize for the best three stalks of cotton.

Among the fruits were Kifer pears and Matamuskeet apples. One of the most interesting features was the better babies contest staged in the afternoon. The prize for the prettiest baby went to little Gladys Mae Etheridge.

Among the ladies whose needle work carried off the largest number of prizes were Misses Essie Ferebee, and Iredell Knight, and Mesdames nie Morrisette, T. S. Berry, and H. C. Ferebee. Mrs. Ferebee also received the prize for the largest and most varied display of pantry supplies, her exhibit consisting of thirty-six varieties of jelly, pickles and preserves. H. C. Ferebee and P. W. Stevens were among the winners of farm produce prizes. Mr. Stevens also had on exhibition two pens of Durac-Jersey hogs that were prize winners and attracted a great deal of attention.

H. S. Gilbert, with a beautiful pair of Percheron horses bred and raised on his own farm, won the prize offered for the best team.

Miss Hattie Seymore was awarded the prize as the prettiest girl at the fair.

The prizes were announced and awarded before a large audience in the courtroom in the evening.

MEET TO SOLVE COTTON PROBLEM

More Than Five Hundred Delegates From Thirty-two Nations Gather in New Orleans

New Orleans, Oct. 13—With more than five hundred delegates from thirty-two nations in attendance, the World Cotton Conference, called for the purpose of organizing internationally and solving the cotton problems, opened here today.

STOCK COMPANY BUYS FAYETTEVILLE OBSERVER

Raleigh, N. C. Oct. 11.—The Fayetteville Observer, evening newspaper owned by E. J. Hale and sons, was to-night sold to a new publishing company, the Press Company, and will be conducted in the future with W. A. Stickleby as managing editor. The management expects later to add a morning edition if circumstances justify it. The Fayetteville Observer is the oldest daily paper in the state.

WOMAN DOCTORS GALORE

London, Sept. 14—(Correspondence of the Associated Press)—One of every five doctors who completed their training in England this year was a woman, and authorities declare that next year the proportion will be larger. In May, 1918, according to the British Medical Journal, there were 2,250 woman doctors in the kingdom, several times more than for the corresponding date of 1914.

RETURN FROM FISHING TRIP

Mr. and Mrs. W. A. Worth, Miss Nan Burgess, Mrs. Wilson Hollowell, Mr. S. B. Parker and Dr. William Parker returned Sunday from a fishing trip at Durants Island.

LARGE CROWD AT FIRST BAPTIST

Hear Dr. Haywood's Dramatic Presentation of Christ Before Herod and Welcomed New Pastor.

A large crowd Sunday morning at 10 Dr. Oscar Haywood of New York City at the First Baptist church and welcomed the new pastor of the church, Rev. H. K. Williams.

Dr. Haywood was introduced as "a Wake Forest man and a North Carolinian," but as he rose to speak he stopped to say that the only distinction which he claimed was the fact that he was the first Christian minister to give part of his time and all of his talent and means to the abolition of capital punishment. He then asked his audience to hear him at the Alkrama that afternoon when he spoke under the auspices of the State Society for the Abolition of Capital Punishment. A large crowd heard him at the Alkrama at three o'clock and again Sunday night when he spoke at the First Methodist church.

Dr. Haywood's subject was "Christ Before Herod," and omitting all vain repetitions and useless phrases he painted the picture of the two contrasting characters in a manner so vivid that the scene seemed to be literally brought back from the pages of history to the listening congregation.

After the sermon, the new pastor, Rev. and Mrs. H. K. Williams, their two children and nephew, were received into the membership of the church and were cordially welcomed by the church membership and other friends.

SEARCH FOR LOST CONTINENT

(By Associated Press) Honolulu, T. H. Sept. 13—(Correspondence of the Associated Press)—Search for evidence supporting the theory of a lost pacific continent is being prosecuted in the Hawaiian Islands, the South Seas and along the west coast of South America.

Prof. Douglass R. Campbell of the botany department of the Stanford University thinks that in certain specimens of ferns found on the island of Hawaii he has established the fact that at some period there was land connecting between the Hawaiian group and the islands to the south and west thru to the Malay peninsula. Prof. T. A. Jaggar, Jr., in charge of the federal observatory at Kilauea volcano, agrees with Prof. Campbell's theory, asserting that there are geological indications that the islands of the Pacific were once connected.

Seeking data in support of Prof. Campbell's theory, Professor W. A. Bryan of the College of Hawaii is now touring the west coast of South America and the South Sea Islands.

ENGLISH VILLAGES ORGANIZE CLUBS

London, Sept. 10—(Correspondence of the Associated Press)—More than 3,000 English villages have organized branches of the Village Clubs Association, a union of rural community societies thru which it is planned to make country life more attractive. In each of these communities, clubhouses have been constructed varying in size and appointment from a simple reading room which may also be made to serve as a general meeting place, to Nettlebed's pretentious village hall which offers men's and women's dressing rooms, library, reading and billiard rooms, a play shed, skittle alley, rifle range, kitchen and cookery school.

In the organization of these clubs, four points are given prime consideration—the eligibility of both women and men to membership shall be nonsexist; the club shall be non-political and non-sectarian, that they shall be self supporting and that they shall be administered by a committee elected by the members.

A CALL FOR 80,000 CENSUS ENUMERATORS

The Director of the Census, Hon. Sam L. Rogers, announces that 80,000 enumerators will be needed to take the next census. The work begins on January 2 and will last about two weeks in cases, and a month or more in rural districts. Rates of pay will vary, depending upon the locality and character of the district to be canvassed. The average pay per enumerator at the census of 1910 was about \$70.00. At this coming census it will be not less than \$100.00.

"Active, intelligent, and reliable men and women, not less than 18 years of age, are needed for this task," said Director Rogers, "and in a sense, this is a call for volunteers. The importance of a complete and reliable census, especially in this critical time when more than ever before perhaps we need complete data regarding population, conditions, tendencies, and resources can hardly be overemphasized. The reorganization of social and economic structure and the readjustment of international relations necessitated by the war must be based on by accurate knowledge if we are to act wisely and deal justly with all classes and all interests. It is hoped, therefore, that public spirited, energetic people throughout the country will volunteer to act as census enumerators even tho they may not care for the positions so far as the pay is concerned. I should be sorry to think, and I do not believe, that all our patriotism was used up by the War and none left over for public service in times of peace."

Lloyd J. Lawrence, Supervisor of the Census for the First District of North Carolina, which includes the counties of Bertie, Camden, Chowan, Pasquotank and Perquimans, states that he will need about sixty enumerators for the district. Applications or requests for application forms should be sent to him on or before October 15th. His address is Murfreesboro, North Carolina. As a test of their fitness for the work applicants will be required to fill out a sample schedule and will be duly notified of the time and place for this test. So far as practicable the place selected will be one that is easily accessible.

RED CROSS AIDES CHILDREN OF SERBIA

Belgrade, Sept. 1. (Correspondence of the Associated Press)—Pressing need for relief work among the children of Serbia is shown in a report issued by the American Red Cross which states that of 360,000 orphans and half orphans in the country, only 1,40 can be cared for by existing orphanages.

A considerable proportion of the orphans outside the institutions are cared for by the relatives, most of them in reduced circumstances themselves. It is estimated that about 100,000 fall in this class. The others have maintained a precarious existence during the summer months as the charges of communities that will find it hard to provide them with shelter when the cold weather arrives.

The immediate problem of the American and Serbian relief agencies is the finding of shelter, food and medical attention for the homeless children for the coming winter.

MEXICO WORKS ON ITS NEW BANKING LAW

Mexico City, Sept. 20 (Correspondence of the Associated Press)—The initiative recently submitted to Congress by President Carranza providing for a "Banco Union del Republico" and a new system of credits has been withdrawn by the executive who explained that changed conditions made the withdrawal necessary. The newspapers, here, however, assert that the Department of the Treasury is still at work on a new banking law which may be presented to Congress shortly.

Miss Maude Williams has returned to her home at Gatesville after a visit to Mrs. J. Marshall Pool on Church street.

MAYNARD STARTS BACK ON TUESDAY

Flying Jansen Also Plans Regular Daredevil Flight Across Continent in November

San Francisco, Oct. 13.—Lieut. Maynard said today that he would be ready to start a certain flight to Minneapolis on Tuesday. He would use the same plane he expected to make better than a single upward flight because the prevailing winds would be in his favor. He also said that he planned to try for the transcontinental record in November with a machine adapted particularly for speed and hoped to fly from the Atlantic to the Pacific in two days.

WILL EXPLAIN LEAGUE NATIONS

Congressman John H. Small at Alkrama Wednesday Under Educational Department Housewives League.

Congressman John H. Small will speak at the Alkrama Wednesday night on the League of Nations, explaining just what the League is and what it means. There will be no admission fee and the public is cordially invited. The address has been arranged to be delivered after the prayer meeting service at the churches and after the first show at the Alkrama. It is hoped that men, women and children will hear Mr. Small. Arrangement for the Lecture was made by the Educational Department of the Housewives League of this city.

TROUBLE TODAY AT YOUNGSTOWN

Youngstown, O. Oct. 13—Considerable turbulence was reported thru-out the district this morning as the steel mills resumed operations. Crowds of strikers about each plant stoned the strikebreakers and many arrests were made. At east Youngstown a locomotive struck a handcar filled with en route to work, killing one and injuring two others.

TEAMSTERS UNION GOES ON STRIKE

New York, Oct. 13—The city's latest strike is that of 11,000 members of the teamsters union. The strike today tied up the principal railroad terminals of the greater city and stations are piled high with undelivered freight and express.

THIRD RED CROSS ROLL CALL
