

WILL HAVE RACES THANKSGIVING

Besides Good Horse Racing There Will be Five Mile Automobile Race at The Fair Grounds

Secretary L. D. Case and Assistant Secretary C. C. Thompson of the Albaric Fair Association have arranged for races at the Fair grounds on Thanksgiving afternoon.

There will be three snappy horse races—a 2:17 trot with a purse of \$200.00; a 2:15 trot with a purse of \$150.00, and a district trot or pace with a purse of \$50.00.

Hours are long and work is difficult and trying in the Western Union office and thoughtfulness on the part of every person sending messages on Thanksgiving Day will make it a real Thanksgiving Day for the Western Union folks.

MAY REACH DECISION TODAY

Advance in Coal Prices Not Likely. Intimated Wage Increases Must Come Out of Operators' Profits

Washington, Nov. 25.—President Wilson's cabinet was expected to reach a decision today on the wage controversy between soft coal miners and operators that would send the miners back to work.

Before entering the meeting, Attorney General Palmer said if the figures as to the operators' profits given yesterday by former secretary of the treasury McAdoo are correct, it is not likely that Fuel Administrator Garfield will permit an increased price for coal.

Any wage advances, it was intimated, would have to come out of the operators' profits.

RESPONSIBILITY IS ON GERMANY

Paris, Nov. 25.—Surprise at the departure of Dr. Simson, head of the plenipotentiaries sent by Germany to Paris in connection with the armistice protocol was expressed in the note delivered to Von Lersner, head of the German delegation at Versailles, by the Supreme Council last night.

If the Treaty is not put into effect by December, the first note adds, the responsibility will lie with the German government, as the departure of Simson delays further conferences which must be held.

Von Lersner is asked to state what are the intentions of the German government.

GIVE RUMANIA CHANCE

Rumania is to be given another chance to sign the Austrian Peace Treaty, a limited period being named within which she may sign.
