**He Says**

"The best proof I can give that Tanlac is the right thing for me is the way it has relieved my suffering and is building me up," said W. T. Eubanks, 1412 Stewart street, Richmond, Va. Mr. Eubanks is employed at the Chesapeake & Ohio Railroad shops and has lived in Richmond for twenty years.

"I had been a victim of catarrh of the head and stomach," explained Mr. Eubanks, "for a number of years. My head first became sore and my stomach also got badly disordered and I became almost a chronic dyspeptic. I would get up in the mornings with a full feeling in my head, and sickening sensation in my stomach that stayed with me for hours. I lost my appetite and what little I did eat caused a pressure on my lungs that almost cut off my

my breath. I had no relish for food of any kind and nothing tasted right or agreed with me. My sleep was always unquiet and I invariably got up in the mornings with that tired feeling. In fact, I was a sick man trying to work, and rarely ever drew a full month's pay on account of having to lay off from one to three days a week. When I was up trying to work I felt so weak and dizzy that I couldn't take proper interest in my work.

"None of the medicine I took, but the first few doses of Tanlac helped me and I have found it suited my case exactly. I am now feeling better in every way than in a long time. My appetite is splendid and what I eat tastes good and makes me feel stronger. I am never troubled with indigestion, that tight feeling has disappeared from my chest and my breathing is free and easy. I sleep fine at night, get up mornings feeling thoroughly rested and am able to put in full time at my work every day. Tanlac has done me more good in a few weeks time than any thing else I have taken in six years put together. My only regret is that I did not take it long ago, as it would have saved me a world of suffering, to say nothing of the money I spent." Tanlac is sold in Elizabeth City at the Standard Drug Com
