**SLOW DEATH**

Aches, pains, nervousness, difficulty in urinating, often mean serious disorders. The world's standard remedy for kidney, liver, bladder and uric acid troubles—

**GOLD MEDAL HAARLEM OIL CAPSULES**

bring quick relief and often ward off deadly diseases. Known as the national remedy of Holland for more than 200 years. All druggists, in three sizes. Look for the name Gold Medal on every box and accept no imitation.

**A Leader of Men**

Back of his energy is sound health, and back of his health is self-discipline that provides for regularity in habits of eating, exercising—bowel elimination.

It is largely this freedom from intestinal poisons that keeps him young; that leaves him free to pursue his aims with mind unclouded and energy unimpaired.

Such health is out of the question for you as long as you are constipated. And laxative and cathartic pills only aggravate and confirm the constipation habit.

Nujol works on an entirely new principle.

Instead of forcing or irritating the system, it simply softens the food waste. This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system.

Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

Nujol is absolutely harmless and pleasant to take. Try it.

Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger".
