Big New Vault Is Now On Way For Carolina Banking And Trust Co.

And Interest Increases Throughout Community As Time Approaches For Formal Opening On October First

Cashier Gurney P. Hood, of the Carolina Banking & Trust Company, has just received a telegram that the big vault is on its way, and the bank SEVEN SHOT BY is now expected to open for business October the first.

The big vault weighs over thirty tons and is the latest and highest type, burglar-proof. The door alone Pistol Battle with its ten inches of solid steel heavy bolt work and triple time locks weighs 20,000 pounds. The two inch steel lining, covering twelve inches of reinforced concrete weighs 33.046 pounds. The two hundred safety deposit boxes and equipment weigh 4,083 pounds. The grille Associated Press) - Seven partition, lockers for cash, and filing equipment weigh 3,712 pounds. The members of the crew of the vault was built to order and as soon Greek steamship King Alexas it arrives, will be put in with all ander were shot and wounded With Purchase Of Three Mo- Grimball, will be taken from Roanpossible speed and the last finishing touches will be added to make this by federal prohibition agents new and handsome bank ready for in a pistol battle on the vessel the opening reception.
