The Advance expected to issue today a business edition setting forth the activities and accomplishments of the Elizabeth City Merchants' Association, and had reserved reports of most of the speeches made at the banquet Wednesday night for this edition. But there was a hitch and our plans went awry. With only a four page paper today there is still no room for these reports; but we are holding them in type until such time as there is available space in the paper for them. The booster for the Merchants' Association will appear later, if present plans materialize.

We haven't seen very much of that new preacher around at the First Methodist church but from what we have seen we believe we are going to like him mighty well. And speaking of preachers, did you ever see a congregation more delighted at having their preacher with them for another year than the City Road Methodists or more pleased with a new preacher than the folks at

Wonderful New Coal Oil Light
 Burns Yapt

 Awarded GOLD MEDAL at World's Exposition San Francisco
 Scientists say He White Light is nearest to day-light in color

Costs You Nothing
 to have this wonderful new Aladdin coal oil (kerosene) mantle lamp demonstrated right in your own home. You don't need to pay us a cent unless you are perfectly satisfied and agree that it is the best oil lamp you ever saw.
Twice the Light On Half the Oil
 Recent tests by the Government and noted scientists at 35 leading Universities prove the Aladdin gives more than twice the light and burns less than half as much oil as the best round wick, open flame lamps on the market. Thus the Aladdin will pay for itself many times over in oil saved, to say nothing of the increased quantity and quality of pure white light it produces. A style for every need.
\$1000.00 Will Be Given
 by the Mantle Lamp Company—the largest Coal Oil (Kerosene) mantle lamp house in the world—to any person who shows them an oil lamp equal to the Aladdin. Would they dare invite such comparison with other lights if there were any doubt about the superiority of the Aladdin?

KNOCK 'EM OUT!

Seven years ago when I opened up the Men's and Boys' Clothing and Furnishing business in Elizabeth City, I stated in public print that I could not, nor I would not, be undersold by anybody East, West, North or South.

Along about this time of the year, lots of Merchants who have held their merchandise for considerable higher prices and bigger profits than we have ever thought of doing, find themselves short of money and overloaded with Clothing.

In order to relieve themselves, they put on sweeping reduction Sales, which makes the difference between the original price and the reduction price appear very large, by reason of the former high prices charged. And, too, in many instances in order to relieve a grave situation quickly, many of them actually sell Clothing for less than they could buy them at wholesale prices from the Manufacturers.

Notwithstanding these facts, we have never forgotten nor deviated from our determination, as expressed seven years ago, that we "could not, nor we would not, be undersold."

In evidence of our sincerity and good faith, I herewith quote you prices on a few Suits and Overcoats, for both Men and Boys, for your consideration and comparison.

- Men's Suits, from \$17.50 up to \$25.00, now for \$13.98.
- Men's Suits, from \$25.00 up to \$35.00, now for \$19.98.
- Men's Overcoats, from \$12.50 up to \$15.00, now for \$9.98.
- Boys' Suits, from \$6.00 up to \$8.00, now for \$4.98.
- Boys' Suits, from \$8.00 up to \$12.50, now for \$6.98.
- Boys' Suits, from \$12.50 up to \$15.00, now for \$9.98.
- Boys' Suits, from \$15.00 up to \$20.00, now for \$12.98.
- Boys' Overcoats and Mackinaws, up to \$10.00, now for \$6.00.

GRAY FOX IS DEAD

The little gray fox at the fire house died Thursday, possibly of grief at his long separation from his fellows, or maybe because he could not get used to the food offered him in his confinement. He was buried with appropriate ceremonies Friday by members of the fire department, after his valuable hide had been removed.
