Conference Closes With Reading MEAN AVERTED Of Appointments For The Year

Many are the changes made, and not a single man is left in the same charge who had served as many as four consecutive years

With the reading of the appointments of the preachers for the new Conference year, the North Carolina Conference closed its eighty-seventh annual session here today shortly before 11 o'clock.

From a glance at the list of appointments it will be seen that H. many ministers will occupy L strange pulpits during the next few weeks.

Bishop Denny is a firm believer, it seems, in the old law limiting the term of a pastor on one charge to four years. In the appointments he made Monday there was not a single man left in the same charge who had served as many as four consecutive

years.

However, to the general gratification of a host of friends, Dr. N. H. D.
Wilson, who through the Conference
was shown himself an ideal host, remains with the First Church of Eliz-

mains with the First Church of Elizabeth City as pastor.

Among the many changes as noted in the list of appointments is that of Rev. Mike Bradshaw, who has served Memorial, Durham, for the past five years. He goes to the Durham district; being the only new presiding elder made at this session.

Rev. M. T. Plyler will be the new elder on the Raleigh district and

Other changes of wide interest have to do with some of the leading Heburchez of the Conference. Rev. Le

Memorial Church, Durham, is accounted one of the strongest and most cultured churches in the entire Conference. It is the "college church" of the denomination in Durham.' Friends of Mr. Myers, who were confident that his ministry at City Road was in way of preparation for a larger work for their talented pastor's advancement, and, while grieved to give him up, feel proud to have his name numbered among the pastors of City Road.

Rev. Daniel Lane is the new pastor at City Road, who comes to this charge from Stantonsburg, one of the strongest charges in the Washington District.

"With the entire Conference to select from," said a former presiding elder who is familiar with conditions in Elizabeth City, after the Conference had adjourned, "I do not see how a better man than Brother Lane could have been selected for the City Rond charge. Daniels Gladdened By City's Progress

"I am heartened and glaudened at the progress your eity has made since I last visited it," said Josephus Daniels, Secretary of the Navyduring the Wilson administration, who left for his home in Raleigh Saturday night after attending the Methodist Conference here.

Mr. Daniels was not surprised at the growth and development of the city—he had expected that—but he commented very favorably on the cleanliness and attractiveness of the city's business section and on its splendid waterfront. "I am heartened and glad-

of the city's business section and on its splendid waterfront. He praised Elizabeth City's hospitality to the Conference and made complimentary reference to the many beautiful homes he had observed in the city. He also expressed great pleasure in being able to visit Elizabeth City again and said that he hoped it would not be long before his next visit.

Washington, Nov. 19.-President

Washington, Nov. 19.—President Coolidae is strongly inclined toward the Mellon tax reduction program and is expected by some of his advisors to endorse it flatly in his message to Congress.

Such endorsement, in the opinion of administration officials, would be enough to sweep aside such opposition as there has been among some Republican leaders to tax revision at the coming session.
