A Bit of Repetition
Having unavailingly sought to interest the Chamber of Commerce on a number of occasions in campaign for numbering unnumbered residences and for correcting numbers of those that are incorrectly numbered, the Advance be-thinks itself that it has not brought this matter to public attention since John Bray became City Manager.

There are numerous unnumbered houses in the city and, one thinks at times, almost as many that are numbered incorrectly. There are also streets such, for instance, as "Main Street

Extended" that ought to be renamed. The so-called extension of Main street runs very nearly parallel with the Norfolk Southern railroad track, while Main street itself ends at right angles to it. Again, there are two streets in the city that go by the name of Persse, one or the other of which should be changed.

At any rate, "Main Street Extended" is an awkward and ungainly name, to say nothing of its inaccuracy when applied to the thoroughfare at present bearing that name. Let's have a new name for it.

The wonder grows how many people of culture and refinement can be content to know and do so little. What does it profit a man if he understand all mysteries and can appreciate music, literature and art, if, in the last analysis, he is of no use in the world?

Even the chosen people were not able to possess the promised land by a mere migration.

FUNERAL MRS. WHITEHURST
The funeral of Mrs. G. W. Whitehurst, who died Monday morning at her home, 719 West church street, was conducted Tuesday afternoon at 2 o'clock at the First Baptist Church by Mrs. Whitehurst's pastor, Dr. S. H. Tompman, assisted by Dr. N. H. D. Wilson, pastor of the First Methodist church. Her favorite hymns, "Lead Kindly Light," "Beautiful Isle of Somewhere" and "Abide With Me" were sung by the choir and the floral offerings were numerous and beautiful. The pallbearers were: W. G. Gaither, C. E. Thompson, M. W. Ferber, C. P. Harris, Joan Bray, S. G. Scott, Dr. C. B. Williams, and Dr. S. W. Gregory. Interment was made in Hollywood Cemetery.

Among those attending the funeral from out of town were: Mrs. Pearl Willis, of Morehead City and J. J. Vowles of Washington. Mrs. Whitehurst is survived by her husband, G. W. Whitehurst; one daughter, Miss Mattie Whitehurst; three sons, J. N. Whitehurst, J. V. Whitehurst, and J. S. Whitehurst; on brother J. J. Vowles of Washington; and two grandchildren, Martha Louise and George Leon Whitehurst of Lake Wales, Florida.

WAGE INTERNAL FIGHT ON TARIFF COMMISSION
Washington, Jan. 15.—The internal fight of the tariff commission came out into the open at the beginning of public hearings on sugar duties today when Vice Chairman Callerton and Commissioners Costigan and Lewis challenged participation by Commissioner Glassie in the disposition of the questions involved.

TO MEET WEDNESDAY
The Mothers' Club will hold its regular meeting Wednesday afternoon at the club house on Fleetwood street at 3 o'clock. Election of officers will be the feature of the afternoon, as this business was postponed from last meeting on account of such a small attendance. It is urged that every member be present Wednesday. Mrs. E. H. Scattergood will be in charge of the meeting.

On reading the news from other countries it looks as if the U. S. has all the peace in the world.

Thousands Have Kidney Trouble And Never Suspect It

Applicants for Insurance Often Rejected

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions.

An examining physician for one of the prominent Life Insurance Companies, in an interview on the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease.

However if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.

SAVED SICK SPELLS

Black-Draught Found Valuable by a Texas Farmer, Who Has Known Its Usefulness Over 30 Years.

Naples, Texas.—"I have used Theford's Black-Draught for years—I can safely say for more than 30 years," declares Mr. H. H. Cromer, a substantial, well-known farmer, residing out from here on Route 3.

"I am 43 years old, and when a small boy I had indigestion and was puny and my folks gave me a liver regulator. Then Black-Draught was advertised and we heard of it.

"I began to take Black-Draught, and have used it, when needed, ever since. I use Black-Draught now in my home, and certainly recommend it for any liver trouble.

"I have given it a thorough trial, and after thirty years can say Black-Draught is my stand-by. It has saved me many sick spells."

Mr. Cromer writes that he is "never out of Black-Draught," and says several of his neighbors prefer it to any other liver medicine. "I always recommend Black-Draught to my friends," he adds.

This valuable, old, powdered liver medicine is prepared from medicinal roots and herbs, and has none of the bad effects so often observed from the use of calomel, or other powerful mineral drugs. Be sure to get the genuine, Theford's. NC-145

NO REASON FOR IT

When Elizabeth City Citizens Show a Way.

There can be no reason why any reader of this who suffers the tortures of an aching back, the annoyances of urinary disorders, the pains and dangers of kidney ills will fail to heed the words of a neighbor who has found relief. Read what an Elizabeth City citizen says:

H. M. Cox, carpenter, 14 Glade St., says: "The last time my kidneys were disordered my back also gave me a lot of trouble. At times when I stooped it was all I could do to get up again. Severe catches of pain shot through my back that certainly made me wince. Often in the morning a lameness across the small of my back made it hard for me to get around. During the night I had to get up several times to pass the kidney secretions which were cloudy. I bought a box of Doan's Pills at the Standard Pharmacy and they quickly relieved me."
