

For Evening

The tightly closed evening frock is one of the little inconsistencies which Paris is fond of. But the real charm of this white satin frock is left to the imagination.

Straightline

Here is a straightline coat that gains individuality through the use of darker material applied in a pointed design about the hem and cuffs. The scarf collar is more elongated and narrow than many shown.

Conservative

This conservative but smart dress varies a little from the straight up and down policy. The collar is finished with a straight band and the cuffs with circular cuffs. The small pocket offers a parking spot for one of the colorful handkerchiefs that are the mode.

Sherrill Had 'Em Naming Greatest

Students Selected Ehringhaus With Aydlett Running Him a Close Second

Who are the four greatest men in Elizabeth City and who is the greatest man in Elizabeth City? Opinions differ and many, perhaps, would be unwilling to venture a guess as to the outcome if the matter was to be decided by the voters of Hestcity.

The question came up recently in the High School freshman class as to who were the four greatest men in the United States.

George R. Sherrill, teacher of civics, gave the question an added interest by permitting the class to vote on who are the four greatest men in Elizabeth City.

J. C. B. Ehringhaus led the list with 50 votes from the class and E. F. Aydlett followed with 46. Next in line came I. M. Meekins with 23 votes, and he was followed closely by C. H. Robinson, who polled 21.

The doctors then followed with Dr. Claude Williams leading the profession with 16 votes and Dr. Zenas Fearing following him with one vote less. Other physicians coming in for a share of favor from the high school class were Doctors Howard Combs, R. L. Kendrick, H. D. Walker, I. Fearing, M. S. Bulla and W.

W. Sawyer.

Fifty scattering votes were cast without putting any candidate far to the front among his competitors.

The only woman to receive a vote was Mrs. Anna Lewis, County Welfare Officer, who polled seven.

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly. It's just fine. Don't stay stuffed up with a cold or nasty catarrh.

**SULPHUR CLEARS ROUGH, RED SKIN**

Face, Neck and Arms Easily Made Smooth, Says Specialist

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation begins at once to soothe irritated skin and heal eruptions such as rash, pimples and ring worm.

It seldom fails to remove the torment and disfigurement, and you do not have to wait for relief from embarrassment. Improvement quickly shows. Sufferers from skin trouble should obtain a small jar of Rowles Mentho-Sulphur from any good druggist and use it like cold cream.
