Crystal Ice & Coal CORPORATION

With a motto of Courtesy, Service and Weight, The Crystal Ice & Coal Corporation is continually adding modern equipment to the plant, affording new features of service in keeping with the progress and development of this city and section

AN ARCTIC SCORING MACHINE

An Arctic Scoring Machine which scores ice into hundred, fifty and twenty-five pound pieces.

This machine is to protect our customers and see that they get full weight ice. Each block is cut to accurate size. It is for your benefit.

COAL

OUR COAL SERVICE
CAN NOT BE EXCELLED

We handle the best grades of Pennsylvania Anthracite, Pocahontas Egg, and Pocahontas Run of the Mine.

A trial order will convince you that we handle the highest quality of coal.

DELIVERY SERVICE UNSURPASSED

Our delivery service consists of six wagons covering regular routes at regular times each day. We also have two trucks for special service. If you miss your wagon call 16 and we will send your ice. If our service is satisfactory, tell your neighbor—if not, tell us.
