CONTRACT LET SOON

Structure to be Ready for Occupancy Early Next Summer; May Form Second Corporation

Preliminary designs for this city's new Virginia Dare Hotel, to cost \$450,000, were adopted at a meeting of the board of directors of the hotel corporation Wednesday night, and W. L. Stoddart, of New York, was selected as architect, C. O. Robinson, president of the corporation, announced Thursday.

Mr. Robinson stated that complete plans and specifications for the hotel would be prepared in the next few weeks, and contract for construction probably would be let shortly after August 1. The building committee hopes to have

construction probably would let shortly after August 1. The iding committee hopes to have structure completed and ready

Mine Stories High
The Virginia Dare is to be nine
stories high, towering above the
other buildings in the business
district, and is to be of modern
steel and brick fireproof construcfion throughout. On the ground
floor, there will be three stores
and an attractive coffee shop facing McMorrine street together
with the main entrance to the hotiel. The lobby itself will be built
at an elevation of five feet from
the ground level, and beneath it
will be the botel barber shop.
As built originally, the hotel
will have 100 guest rooms, with
an architectural design permitting
the addition of 60 rooms at relalicals law cost. To increase their

stands of the building besides the coffee shop.

A second lobby will be provided on the mezzanine floor, together with an assembly hall 27 by 20 feet, which may be converted into a spacious dining room of lance floor as occasion demands also there will be an attractive private dining room on the mezzanine floor, intended mainly for the use of civic clubs and other organizations.

Roof Garden Projected
The seven-story tower of the otel, rising above the level of the mezzanine floor, and housing he 100 guest rooms of the hotel, will be built 27 feet back from McMorrine street. Its elevators will run all the way to the roof, with a view later to installing a not garden for aummer festiviles. This will command an univalided view of the beauties of upper Pasquotank River and the adjacent countryside.

The hotel will be set back from the building line on both McMorrine and Fearing affects in order to permit the wildening of the sidewalks and thereby add to the attractiveness of the Virginia Dare Hotel, in Rasterets, in order to permit the wild-tening of the sidewalks and thereby add to the attractiveness of the Virginia Dare Hotel proceed without impediment, Mr. Robinson stated, adding that the board was exercised every economy commensurate with giving the city the finest hotels in habour the building in the committee and the process of the committee and the process of
