And There's More Money in the Land Than Pessimists Will Admit

"Business is better than a lot of people make out it is and there is a lot more money in Elizabeth City than some people would have you believe."

 "One cause of this increase in radio sales is the improved simplicity of operation. Another cause is a systematic advertising campaign. I attribute many of our sales this Christmas directly to advertisements which we have run in The Advance. The proper ad

at the proper time is the secret of successful newspaper advertising.
